# LOCKNLOAD MODIFIED CASES 308 WINCHESTER MODIFIED CASE Safety Instruction Guide

## Introduction

Thank you for choosing the LOCKNLOAD MODIFIED CASES 308 WINCHESTER MODIFIED CASE. This product is designed for use with the Hornady LockNLoad Gauge, providing precision and efficiency in your reloading processes. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

To promote safe usage of the LOCKNLOAD MODIFIED CASES, please adhere to the following guidelines:

- Always handle modified cases with care to prevent accidents.
- Ensure the modified cases are compatible with your specific firearm and reloading equipment.
- Follow all manufacturer instructions and guidelines when using this product.
- Keep the modified cases out of reach of children and vulnerable individuals.
- Regularly inspect modified cases for any signs of damage or wear before use.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

When using the LOCKNLOAD MODIFIED CASES, please observe these specific safety precautions:

- **Compatibility Check:** Ensure that the modified cases are suitable for your firearm's chamber specifications. Modified cases will not work in tight neck chambers.
- **Proper Handling:** Always wear protective eyewear when reloading to protect against debris or accidental discharge.
- **Avoid Overloading:** Do not exceed recommended loads, as this may lead to dangerous malfunctions.
- **Storage:** Store modified cases in a cool, dry place to prevent deterioration.
- **Custom Cartridges:** If your desired cartridge is not listed, consult Hornady for custom cartridge options.

## Instructions for Installation and Usage

To ensure proper installation and usage of the LOCKNLOAD MODIFIED CASES, follow these steps:

### 1. Preparation:

- Gather all necessary tools and safety equipment.
- Read the Hornady LockNLoad Gauge instructions.

### 2. Installation:

- Insert the modified case into the LockNLoad Gauge following the manufacturer's instructions.
- Ensure the case is securely fitted and properly aligned.

### 3. Usage:

- Use the gauge to measure bullet seating depth accurately.
- Follow the reloading process as outlined in your reloading manual.
- After use, remove the modified case from the gauge and inspect it for any signs of wear or damage.

### 4. PostUsage Care:

- Clean the modified case according to the manufacturer's recommendations.
- Store the modified cases in a designated container to avoid damage.

## **Disposal Instructions**

When disposing of LOCKNLOAD MODIFIED CASES, please follow these guidelines:

- Dispose of any damaged or worn modified cases responsibly according to local regulations.
- Do not throw away in regular household waste if they contain any hazardous materials.
- Check with local authorities for proper disposal methods for reloading materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the LOCKNLOAD MODIFIED CASES, please refer to the manufacturer's contact information provided in the product packaging or on the official website. It is important to reach out for assistance if you encounter any issues or require additional information.

By following these safety instructions, you can ensure safe and effective use of the LOCKNLOAD MODIFIED CASES 308 WINCHESTER MODIFIED CASE. Thank you for prioritizing safety in your reloading practices.
