Safety Instruction Guide for FELT BOBS MANDREL MOUNTED BROWNELLS

Introduction

Thank you for choosing the FELT BOBS MANDREL MOUNTED BROWNELLS. This product is designed for polishing various surfaces, including trigger guards, revolver cylinder flutes, milled ramps, hammers, and triggers. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always follow the manufacturer's instructions when using the product.
- Ensure that the workspace is clear of any unnecessary items to prevent accidents.
- Keep the product out of reach of children and vulnerable individuals.
- Use appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using the product.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Risk of injury from moving parts during operation.
- Risk of inhalation of dust or debris generated during polishing.
- Risk of eye injury from flying particles.

- **Avoiding Hazards:**

- Always operate the product in a well-ventilated area to minimize inhalation risks.
- Do not wear loose clothing or jewelry that could get caught in moving parts.
- Ensure that all safety guards are in place before use.
- Do not exceed the recommended speed settings for the tool being used with the felt bob.
- Use the product only for its intended purpose as described in this guide.

Instructions for Installation and Usage

- **Installation:**

1. Ensure the tool you are using is turned off and unplugged.
2. Insert the mandrel (1/8" or 3.1mm) into the tool's chuck securely.
3. Attach the felt bob (1/4" or 6.3mm diameter) to the mandrel, ensuring it is tightly secured.
4. Check that the assembly is stable before proceeding.

- **Usage:**

1. Plug in the tool and ensure it is set to the appropriate speed for polishing.
2. Hold the workpiece securely and position the felt bob against the surface to be polished.
3. Apply light pressure while moving the felt bob in a circular motion over the surface.
4. Avoid applying excessive force, as this may lead to damage or injury.
5. After use, turn off and unplug the tool before removing the felt bob.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Check with local waste management authorities for proper disposal methods for felt and other materials.

Contact Information for Further Support

For any questions or concerns regarding the use of this product, please contact the manufacturer or your local distributor. Ensure you have the product details ready for reference.

By following these safety instructions, you can ensure a safe and effective experience while using the FELT BOBS MANDREL MOUNTED BROWNELLS. Thank you for your attention to these important safety guidelines.
