

# FINALFINISH™ SYSTEM - DAVID TUBB 22 CALIBER (0.224") FINALFINISH BULLET KIT

[Gunsmith Tools](#) > [Rifle Tools](#) > [Receiver Tools](#)

## Polishes Bore, Reduces Fouling, Gives Easier Cleaning

Abrasive coated bullets provide effective polishing to remove tool marks, rough areas and high spots in bore and throat. Eliminates the primary cause of lead and copper fouling and makes bore cleaning easier and less time consuming. Long, match type, jacketed bullets provide maximum bearing surface for efficient polishing action. Every caliber kit includes 10 bullets each, in five grades of compound to progressively smooth and polish bore.

## Attributes

- Name: [DAVID TUBB 22 CALIBER \(0.224"\) FINALFINISH BULLET KIT](#)
- Manufacturer: [DAVID TUBB](#)

# FINALFINISH™ SYSTEM DAVID TUBB 22 CALIBER (0.224") FINALFINISH BULLET KIT Safety Instructions

## Introduction

Thank you for choosing the FINALFINISH™ SYSTEM DAVID TUBB 22 CALIBER (0.224") FINALFINISH BULLET KIT. This product is designed to enhance the performance of your firearm by polishing the bore and throat, thereby reducing fouling and improving accuracy. To ensure safe and effective use of this product, please read and adhere to the following safety instructions.

## General Safety Guidelines

- Always handle firearms and ammunition with care, following all safety protocols.
- Keep the product out of reach of children and unauthorized users.
- Ensure that you are in a safe and appropriate environment when using the bullet kit.
- Be aware of your local laws and regulations regarding the use of firearms and ammunition.
- In case of an emergency, seek immediate assistance from local authorities.

## Specific Safety Precautions for Use

- Use only the bullets included in the FINALFINISH™ kit. Do not substitute with other brands or types.
- Ensure that your firearm is unloaded before beginning any cleaning or polishing procedures.
- Wear appropriate safety gear, including safety glasses and gloves, to protect against debris and chemicals.
- Do not use the bullet kit in a firearm that is not designed for the specific caliber (0.224").
- Avoid inhaling any dust or particles generated during the polishing process. Use a mask if necessary.
- Inspect the bullets for damage before use. Discard any bullets that appear to be damaged or defective.
- Follow the instructions carefully to avoid improper use that may lead to accidents or injuries.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that your firearm is completely unloaded and in a safe condition.
- Gather all necessary materials, including the FINALFINISH™ bullet kit, cleaning rod, and any additional cleaning supplies you may need.

### 2. Loading the Bullets

- Select the appropriate grade of compound based on the condition of your bore.
- Insert the bullet into the cleaning rod according to the manufacturer's instructions.

### 3. Polishing Process

- Insert the cleaning rod with the bullet into the bore of your firearm.
- Follow the recommended technique for polishing, which typically involves a smooth, backandforth motion.
- Ensure that you do not force the bullet, as this may damage the bore.

### 4. Cleaning Up

- After polishing, remove the bullet and clean the bore with a suitable cleaning solution to remove any residual compound.
- Dispose of any used bullets and cleaning materials according to local regulations.

## **Disposal Instructions**

- Dispose of used bullets and any cleaning materials in accordance with local environmental regulations.
- Do not dispose of bullets in regular household waste. Check with local authorities for proper disposal methods.
- Ensure that all packaging materials are recycled or disposed of responsibly.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please refer to the manufacturer's website or contact your local distributor for assistance. Always ensure that you have the latest information and guidelines regarding the use of the FINALFINISH™ SYSTEM DAVID TUBB 22 CALIBER (0.224") FINALFINISH BULLET KIT.

By following these safety instructions, you can ensure a safe and effective experience with your FINALFINISH™ bullet kit. Thank you for your attention to safety and for choosing our product.
