

FINALFINISH™ SYSTEM - DAVID TUBB 30 CLAIBER (0.308") FINALFINISH BULLET KIT

[Gunsmith Tools](#) > [Rifle Tools](#) > [Receiver Tools](#)

Polishes Bore, Reduces Fouling, Gives Easier Cleaning

Abrasive coated bullets provide effective polishing to remove tool marks, rough areas and high spots in bore and throat. Eliminates the primary cause of lead and copper fouling and makes bore cleaning easier and less time consuming. Long, match type, jacketed bullets provide maximum bearing surface for efficient polishing action. Every caliber kit includes 10 bullets each, in five grades of compound to progressively smooth and polish bore.

Attributes

- Name: DAVID TUBB 30 CLAIBER (0.308") FINALFINISH BULLET KIT
- Manufacturer: DAVID TUBB
- Product no.: 840000007

FINALFINISH™ SYSTEM DAVID TUBB 30 CLAIBER (0.308") FINALFINISH BULLET KIT Safety Instruction Guide

Introduction

Thank you for choosing the FINALFINISH™ SYSTEM DAVID TUBB 30 CLAIBER (0.308") FINALFINISH BULLET KIT. This product is designed to provide effective polishing for firearms, enhancing performance and ease of maintenance. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure safe use of the FINALFINISH Bullet Kit by following these essential safety guidelines:
 - Always handle firearms and ammunition with care and in accordance with local laws and regulations.
 - Keep the product out of reach of children and vulnerable individuals.
 - Only use the product for its intended purpose as described in this guide.
 - Regularly inspect the product for any signs of damage or wear before use.
 - Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- When using the FINALFINISH Bullet Kit, please observe the following safety precautions:
 - Wear appropriate safety gear, including eye protection, to prevent injury from debris.
 - Ensure the firearm is unloaded and pointed in a safe direction before using the bullet kit.
 - Avoid using the kit in confined spaces or areas with poor ventilation.
 - Do not exceed the recommended usage instructions for the abrasive coated bullets.
 - Store the product in a cool, dry place away from direct sunlight and extreme temperatures.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have a clean workspace to avoid contamination of the bullets.
- Gather all necessary tools and materials before starting.

2. Using the Bullet Kit:

- Select the appropriate caliber kit for your firearm.
- Each kit includes 10 bullets in five grades of compound for progressive polishing.
- Start with the coarsest compound and work your way to the finest, following the instructions provided.
- Insert the bullet into the firearm as per standard loading procedures.
- Fire the bullet in a safe direction to allow the polishing action to take place.

3. PostUse Care:

- After use, clean the firearm thoroughly to remove any residue from the polishing compounds.
- Inspect the bullets for damage and replace any that show signs of wear.

Disposal Instructions

- Dispose of the FINALFINISH Bullet Kit and any used components responsibly:
 - Follow local regulations for the disposal of firearms accessories and hazardous materials.
 - Do not throw the product in regular household waste.
 - Consider contacting a local waste management facility for proper disposal options.

Contact Information for Further Support

For any inquiries regarding the use or safety of the FINALFINISH Bullet Kit, please refer to the product packaging for contact information or visit the official website for additional resources.

By adhering to the safety guidelines and instructions provided in this document, you can ensure a safe and effective experience with the FINALFINISH™ SYSTEM DAVID TUBB 30 CLAIBER (0.308") FINALFINISH BULLET KIT. Thank you for your attention to safety and for choosing our product.
