

TARGET SCOPE BASES - P&L DEVELOPMENT .175" TARGET SCOPE BASE

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

Mount Target Sights Or External Adjustment Scopes On Long Range Rifles

Versatile, steel bases accept target front sights and external adjustment scopes from Redfield, Lyman, Unertl and others that require a 3/8" dovetail base. Contoured bottom radius provides a tight, solid fit to barrel, prevents side movement, and ensures base is aligned squarely with receiver. Does not fit Redfield external adjustment scopes.

Attributes

- Name: [P&L DEVELOPMENT .175" TARGET SCOPE BASE](#)
- Manufacturer: [P&L DEVELOPMENT](#)
- Product no.: 841105175
- Mfr. No.: NONE
- Colour: Black

Safety Instruction Guide for TARGET SCOPE BASES P&L DEVELOPMENT .175" TARGET SCOPE BASE

Introduction

Thank you for choosing the TARGET SCOPE BASES P&L DEVELOPMENT .175" TARGET SCOPE BASE. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your product. Please read this manual carefully before use to maximize safety and performance.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this manual.
- Always inspect the product for any visible defects or damage before installation and use.
- Keep the product out of reach of children and vulnerable individuals.
- If you encounter any issues or concerns regarding the safety of this product, report them to the appropriate authorities.
- Stay informed about product recalls or safety alerts by checking the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- Always wear appropriate eye protection when handling or installing the scope base.
- Ensure that the firearm is unloaded before installing or adjusting the scope base.
- Avoid using the scope base with incompatible sights or scopes, particularly those that do not fit the specified 3/8" dovetail base.
- Do not attempt to modify or alter the scope base in any way, as this may compromise safety and performance.
- Be cautious of sharp edges when handling the steel base to prevent cuts or injuries.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a screwdriver compatible with the 648 screws provided.
- Ensure that your rifle is clean and free from debris where the scope base will be installed.

2. Installation Steps

- Place the scope base onto the rifle's receiver, ensuring that the contoured bottom radius aligns properly with the barrel.
- Check the hole spacings of .860" and .562" to ensure proper alignment with your rifle's mounting holes.
- Secure the base using the provided 648 screws. Tighten them evenly to avoid any misalignment.
- Doublecheck that the base is firmly attached and does not move.

3. Usage Guidelines

- After installation, attach the target front sights or external adjustment scopes that are compatible with the 3/8" dovetail base.
- Regularly check the tightness of the screws and the integrity of the base during usage.
- If you notice any signs of wear or damage, discontinue use immediately and seek a replacement.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is no longer usable, ensure that it is recycled or disposed of safely to minimize environmental impact.
- Do not throw the product in regular household waste.

Contact Information for Further Support

For any inquiries or further support regarding safety or product usage, please refer to the contact details provided on the packaging or the manufacturer's website. Always ensure that you have the most up-to-date information regarding your product.

By following these guidelines, you can help ensure a safe and effective experience with your TARGET SCOPE BASES P&L DEVELOPMENT .175" TARGET SCOPE BASE. Thank you for your attention to safety.
