

TARGET SCOPE BASES - P&L DEVELOPMENT .325" TARGET SCOPE BASE

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

Mount Target Sights Or External Adjustment Scopes On Long Range Rifles

Versatile, steel bases accept target front sights and external adjustment scopes from Redfield, Lyman, Unertl and others that require a 3/8" dovetail base. Contoured bottom radius provides a tight, solid fit to barrel, prevents side movement, and ensures base is aligned squarely with receiver. Does not fit Redfield external adjustment scopes.

Attributes

- Name: [P&L DEVELOPMENT .325" TARGET SCOPE BASE](#)

TARGET SCOPE BASES P&L DEVELOPMENT

.325" TARGET SCOPE BASE Safety Instruction Guide

Introduction

Thank you for purchasing the TARGET SCOPE BASES P&L DEVELOPMENT .325" TARGET SCOPE BASE. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this manual carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is used in accordance with all relevant local laws and regulations.
- Always inspect the scope base for damage or wear before installation.
- Do not use the scope base if it shows any signs of damage.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about any recalls or safety alerts regarding the product via the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Installation Safety:**

- Ensure that the firearm is unloaded and pointed in a safe direction during installation.
- Use appropriate tools when installing the scope base to avoid injury.

- **Usage Safety:**

- Do not exceed the manufacturer's recommended specifications for mounting scopes.
- Regularly check the tightness of screws and the alignment of the scope base.
- Avoid using the product in extreme conditions that may affect its integrity.

- **Compatibility Warning:**

- This scope base is compatible with target front sights and external adjustment scopes from manufacturers such as Redfield, Lyman, and Unertl that require a 3/8" dovetail base.
- This base does not fit Redfield external adjustment scopes; ensure compatibility before use.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools:
 - Screwdriver
 - Allen wrench (if applicable)
 - 648 screws (included)
- Ensure the firearm is unloaded and in a safe location.

2. Installation Steps:

- Position the scope base on the rifle's receiver, aligning it with the dovetail.
- Insert the 648 screws through the base holes into the receiver.

- Tighten the screws securely but avoid overtightening to prevent damage to the base or receiver.
- Check that the base is aligned squarely with the receiver.

3. PostInstallation Check:

- Verify that the base is firmly attached and does not move when pressure is applied.
- Ensure that the scope is properly mounted on the base and is securely fastened.

4. Usage:

- When using the rifle, maintain awareness of the scope's alignment and stability.
- Regularly inspect the installation for any signs of loosening or misalignment.

Disposal Instructions

- Dispose of the product in accordance with local waste management regulations.
- If the product is damaged beyond use, recycle any metal components where possible.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the TARGET SCOPE BASES P&L DEVELOPMENT .325" TARGET SCOPE BASE, please refer to your local distributor or manufacturer's contact information.

By following these guidelines and instructions, you can ensure the safe and effective use of your TARGET SCOPE BASE. Thank you for choosing our product, and we hope you enjoy your experience.
