

# TARGET SCOPE BASES - P&L DEVELOPMENT .425" TARGET SCOPE BASE

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

## Mount Target Sights Or External Adjustment Scopes On Long Range Rifles

Versatile, steel bases accept target front sights and external adjustment scopes from Redfield, Lyman, Unertl and others that require a 3/8" dovetail base. Contoured bottom radius provides a tight, solid fit to barrel, prevents side movement, and ensures base is aligned squarely with receiver. Does not fit Redfield external adjustment scopes.

## Attributes

# TARGET SCOPE BASES P&L DEVELOPMENT

## Safety Instruction Guide

### Introduction

Thank you for choosing the TARGET SCOPE BASES P&L DEVELOPMENT .425" TARGET SCOPE BASE. This product is designed to enhance your shooting experience by providing a secure and reliable mounting solution for your target front sights and external adjustment scopes. To ensure your safety and the proper functioning of this product, please read and follow the safety instructions outlined in this guide.

### General Safety Guidelines

- Always ensure that the TARGET SCOPE BASE is compatible with your firearm before installation.
- Inspect the base and your firearm for any damage or wear before use.
- Ensure that the firearm is unloaded and pointed in a safe direction during installation and adjustment.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- **Compatibility Check:** Verify that your target front sights and external adjustment scopes are compatible with the 3/8" dovetail base.
- **Installation Environment:** Perform installation in a clean, dry area to avoid contamination and damage.
- **Secure Fit:** Ensure that the base is securely fastened to prevent movement during use.
- **Avoid Overtightening:** Do not overtighten screws, as this may damage the base or the firearm.
- **Regular Inspection:** Periodically check the base for tightness and any signs of wear or damage.
- **Use Protective Gear:** Wear safety glasses when handling tools or working near firearms.

### Instructions for Installation and Usage

1. **Gather Required Tools:** Ensure you have the necessary tools, including a screwdriver compatible with 648 screws.
2. **Prepare Your Firearm:**
  - Ensure the firearm is unloaded.
  - Point the firearm in a safe direction.
3. **Remove Existing Base (if applicable):**
  - If there is an existing scope base, carefully remove it according to the manufacturer's instructions.
4. **Align the TARGET SCOPE BASE:**
  - Position the base on the firearm's receiver.
  - Ensure that the contoured bottom radius fits snugly against the barrel.
5. **Secure the Base:**
  - Insert the 648 screws into the designated holes.
  - Tighten the screws evenly and securely, avoiding overtightening.
6. **Attach Your Scope:**
  - Follow the manufacturer's instructions for attaching your target front sights or external adjustment scopes.
7. **Final Inspection:**
  - Doublecheck that everything is securely attached and aligned.
  - Ensure no tools or loose parts are left near the firearm.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the TARGET SCOPE BASE becomes damaged beyond repair, it should be disposed of in a manner that prevents any potential hazard to others.
- Consider recycling materials where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the TARGET SCOPE BASES P&L DEVELOPMENT, please refer to the manufacturer's website or contact your local retailer for assistance. Always ensure you have the latest information regarding product safety and compliance.

By following these guidelines, you can ensure a safe and enjoyable experience with your TARGET SCOPE BASE. Thank you for your attention to safety!
