# Safety Instructions for 1911 Mainspring Housing with Slim Line Magwell Flat Stainless Steel

## Introduction

Thank you for choosing the 1911 Mainspring Housing with Slim Line Magwell in Flat Stainless Steel. This product is designed to enhance your shooting experience while ensuring safety and compliance with the EU General Product Safety Regulation (GPSR). Please read this safety instruction guide carefully to understand how to use, install, and dispose of this product safely.

## General Safety Guidelines

- Ensure that all firearms are handled safely and responsibly.
- Always treat every firearm as if it is loaded.
- Keep firearms pointed in a safe direction at all times.
- Store firearms securely and out of reach of children.
- Familiarize yourself with local laws and regulations regarding firearms.
- Use only compatible components with your 1911 firearm to avoid malfunctions.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when shooting.
- Do not attempt to modify or alter the mainspring housing or any other firearm components.
- Inspect the product for any visible damage before installation.
- Ensure that the firearm is unloaded before beginning installation.
- Keep hands and other body parts clear of the firearm's action during operation.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a screwdriver and any specific tools recommended by the manufacturer.

### 2. Removing the Old Mainspring Housing:

- Locate the mainspring housing on your 1911 firearm.
- Using the appropriate tool, carefully remove the old mainspring housing.
- Set aside the old housing and any small components that may be removed.

### 3. Installing the New Mainspring Housing:

- Align the new 1911 Mainspring Housing with the frame of the firearm.
- Ensure that the magwell opening is positioned correctly for optimal magazine changes.
- Gently press the mainspring housing into place until it is securely fitted.
- Reinstall any small components that were removed during the process.

### 4. Final Check:

- Doublecheck that the new mainspring housing is secure and properly installed.
- Test the functionality of the magwell by inserting and removing magazines to ensure smooth

operation.

#### **5. Usage:**

- When using the firearm, ensure that you follow all safety guidelines and precautions.
- Regularly inspect the mainspring housing for wear or damage, especially after extensive use.

## **Disposal Instructions**

- Dispose of any old or damaged components in accordance with local regulations.
- Do not dispose of firearms or firearm components in regular household waste.
- Contact a licensed firearms dealer or local authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the 1911 Mainspring Housing with Slim Line Magwell, please reach out to the manufacturer or your local authorized dealer. They can provide additional support and guidance regarding safety practices and product information.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your 1911 Mainspring Housing. Always prioritize safety and responsible handling of firearms. Thank you for your attention to these important guidelines.
