# Safety Instruction Guide for 1911 Mainspring Housing

## Introduction

Thank you for choosing the 1911 Mainspring Housing Checkered Mainspring Housing, designed for the 1911 Auto Government Model and ParaOrdnance P10/P12. This product enhances grip and comfort, ensuring better handling during use. Please read this safety instruction guide carefully to ensure safe and effective use of this product.

## General Safety Guidelines

- Ensure that the product is installed correctly before use.
- Regularly inspect the mainspring housing for signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Always follow manufacturer guidelines and local laws regarding firearm safety and handling.
- In case of any malfunction or unusual behavior during use, cease operation immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- Check for proper fitment before using the mainspring housing on your firearm.
- Always ensure that the firearm is unloaded before installing or removing the mainspring housing.
- Use protective eyewear when handling firearms to prevent injury.
- Avoid using the mainspring housing if it shows signs of damage or if it does not fit securely.
- Do not modify the mainspring housing in any way, as this may compromise safety and functionality.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, if required.

### 2. Installation Steps

- Remove the existing mainspring housing from the firearm by following the manufacturer's instructions.
- Align the new checkered mainspring housing with the frame of the firearm.
- Securely attach the mainspring housing, ensuring it fits snugly without excessive force.
- Doublecheck that the mainspring housing is properly seated and does not move.

### 3. Usage

- Grip the firearm firmly, utilizing the enhanced texture of the checkered mainspring housing for improved control.
- Practice safe handling at all times, ensuring that the firearm is pointed in a safe direction.

## Disposal Instructions

- When disposing of the product, follow local regulations regarding firearms and firearm components.
- If the product is damaged beyond use, consider recycling metal components where possible.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and use of the 1911 Mainspring Housing, please consult the manufacturer or your local firearms authority for guidance.

By adhering to these safety instructions, you help ensure a safe and enjoyable experience with your new 1911 Mainspring Housing. Thank you for your attention to safety, and enjoy your shooting experience!
