Introduction

Thank you for choosing the 1911 Mainspring Housing Checkered. This product is designed to enhance your grip and comfort while shooting, ensuring that your firearm remains stable during recoil. To ensure your safety and the proper use of this product, please read and follow the guidelines outlined in this manual.

General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Ensure you are familiar with the operation of your firearm before using this product.
- Store the product in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the mainspring housing for wear and damage before use.
- Report any unsafe products or accidents to the authorities immediately.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the mainspring housing.
- Do not use the product if it shows signs of damage or excessive wear.
- Use only with compatible models: 1911 Government, Commander, and ParaOrdnance P10/P12.
- Avoid using the firearm in conditions that may compromise your grip, such as wet or slippery environments.
- Always wear appropriate eye and ear protection when shooting.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing mainspring housing by following the firearm's manual.
- Align the new checkered mainspring housing with the frame of the firearm.
- Securely install the mainspring housing, ensuring it is properly seated.
- Check that the housing is firmly attached and does not shift.

2. Usage:

- Grip the firearm firmly with both hands.
- Maintain a proper shooting stance to minimize recoil movement.
- Practice regularly to become accustomed to the feel of the new mainspring housing.
- Clean the mainspring housing regularly to maintain its condition and performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with local waste management authorities for proper disposal methods.
