

# 1911 "E-Z FIT HI-GRIP" BEAVERTAIL SAFETY - SERIES 70, STANDARD HI-GRIP SAFETY, BLUE

[Handgun Parts](#) > [Safety Parts](#) > [Safeties](#)

## Lowers The Pistol's Line Of Sight In Your Hand

Curved shape drops the pistol deeper into the hand and lowers the line of sight for less felt recoil and a faster pointing gun. Wide beavertail shape prevents the hammer from "bit-ing" the web of the hand. Palmswell"! model features a raised pad that maintains constant hand contact for the shooter using a high thumb hold.

# Safety Instruction Guide for 1911 "EZ FIT HIGRIP" Beavertail Safety Series 70

## Introduction

Thank you for choosing the 1911 "EZ FIT HIGRIP" Beavertail Safety. This product is designed to enhance your shooting experience while ensuring safety during use. Please read this guide carefully to understand the safety measures and proper usage of this product.

## General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the safety is engaged when the firearm is not in use.
- Store the firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the safety mechanism for proper functionality.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the beavertail safety is properly installed before use.
- Do not modify the safety mechanism beyond manufacturer specifications.
- Use only compatible models as specified (Government, Commander, Officers).
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a clear line of sight before firing.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and the safety is engaged.
- Remove the existing safety by following the manufacturer's instructions.
- Install the new "EZ FIT HIGRIP" Beavertail Safety by aligning it with the frame of the firearm.
- Securely fasten all components, ensuring no loose parts are present.
- Test the safety mechanism to confirm proper operation before use.

### 2. Usage

- Grip the firearm firmly, ensuring your hand is in contact with the palmswell pad.
- Engage the safety when the firearm is not in use.
- Before firing, ensure the safety is disengaged and the firearm is pointed in a safe direction.
- Follow all local laws and regulations regarding firearm usage.

## Disposal Instructions

- Dispose of the safety in accordance with local regulations for metal and firearm components.
- Do not dispose of in regular household waste.
- Contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**
