

# 1911 "E-Z FIT HI-GRIP" BEAVERTAIL SAFETY - SERIES 70, PALMSWELL HI-GRIP SAFETY, BLUE

[Handgun Parts](#) > [Safety Parts](#) > [Safeties](#)

## Lowers The Pistol's Line Of Sight In Your Hand

Curved shape drops the pistol deeper into the hand and lowers the line of sight for less felt recoil and a faster pointing gun. Wide beavertail shape prevents the hammer from "bit-ing" the web of the hand. Palmswell"! model features a raised pad that maintains constant hand contact for the shooter using a high thumb hold.

# Safety Instruction Guide for 1911 "EZ FIT HIGRIP" BEAVERTAIL SAFETY SERIES 70

## Introduction

Thank you for choosing the 1911 "EZ FIT HIGRIP" Beavertail Safety. This product is designed to enhance your shooting experience while ensuring safety and comfort. This guide provides essential safety instructions and guidelines to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that all firearms are handled with care and respect.
- Always treat every firearm as if it is loaded.
- Store the firearm in a secure location, out of reach of children and unauthorized users.
- Use appropriate protective gear, such as eye and ear protection, when shooting.
- Familiarize yourself with the operation of your firearm before use.
- Regularly inspect your firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper handling may lead to accidental discharge.
- Improper installation may affect firearm functionality and safety.
- Failure to maintain proper grip may lead to loss of control during firing.

### • To Avoid Hazards:

- Always ensure the firearm is unloaded before installation or maintenance.
- Follow the installation instructions carefully to ensure proper fit and function.
- Use the product only with compatible models: Government, Commander, and Officers.
- Regularly check the beavertail safety for signs of wear or damage.
- If you experience any issues with the safety's operation, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is completely unloaded.
- Remove the existing safety according to the manufacturer's instructions.
- Align the new beavertail safety with the frame of the firearm.
- Securely fasten the safety in place, ensuring it operates smoothly without obstruction.
- Check the functionality of the safety by performing a function test before use.

### 2. Usage:

- Grip the firearm firmly using the raised pad on the palmswell model to maintain constant hand contact.
- Ensure your thumb is positioned high for optimal control.

- Practice proper shooting stance and aim techniques to minimize recoil.
- Always keep the muzzle pointed in a safe direction during handling and shooting.
- After shooting, ensure the firearm is cleared and secured.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearm accessories.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## Contact Information for Further Support

For any inquiries or concerns regarding the safety and functionality of the 1911 "EZ FIT HIGRIP" Beavertail Safety, please refer to the manufacturer's contact information provided with your product.

## Conclusion

Your safety is our priority. Please adhere to these guidelines to ensure a safe and enjoyable shooting experience with your 1911 "EZ FIT HIGRIP" Beavertail Safety. Always stay informed about product recalls and safety updates through the EU's Safety Gate platform. Thank you for your responsible firearm ownership.
