

1911 "E-Z FIT HI-GRIP" BEAVERTAIL SAFETY - SERIES 80, PALMSWELL HI-GRIP SAFETY, BLUE

[Handgun Parts](#) > [Safety Parts](#) > [Safeties](#)

Lowers The Pistol's Line Of Sight In Your Hand

Curved shape drops the pistol deeper into the hand and lowers the line of sight for less felt recoil and a faster pointing gun. Wide beavertail shape prevents the hammer from "bit-ing" the web of the hand. Palmswell"! model features a raised pad that maintains constant hand contact for the shooter using a high thumb hold.

Safety Instruction Guide for 1911 "EZ FIT HIGRIP" BEAVERTAIL SAFETY SERIES 80

Introduction

Thank you for choosing the 1911 "EZ FIT HIGRIP" Beavertail Safety Series 80. This product is designed to enhance the safety and performance of your firearm. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe handling of the firearm at all times.
- Always treat every firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction.
- Store the firearm securely and out of reach of children.
- Regularly inspect the firearm and safety components for wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Use only compatible accessories and parts with your firearm.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or adjusting the beavertail safety.
- Do not attempt to modify the beavertail safety beyond the manufacturer's specifications.
- Be aware of the beavertail design; it is intended to prevent hammer bite but may require proper installation to function correctly.
- If you experience any malfunctions or issues, cease use immediately and consult a qualified gunsmith.
- Always wear appropriate eye and ear protection when handling or firing the firearm.
- Avoid using the firearm in wet or humid conditions unless properly maintained.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the grip panels from the firearm.
- Carefully remove the existing beavertail safety, following the manufacturer's guidelines.
- Install the new beavertail safety by aligning it with the frame and securing it with the appropriate screws.
- Reattach the grip panels, ensuring all components are secure.
- Perform a function check to ensure proper operation before use.

2. Usage

- Grip the firearm firmly with your dominant hand, using the high thumb hold on the palmwell.
- Ensure your fingers are outside the trigger guard until you are ready to fire.
- Maintain a proper stance and sight alignment before firing.
- After firing, keep the firearm pointed in a safe direction and follow all safety protocols for unloading and storage.

Disposal Instructions

- Dispose of any damaged or nonfunctional parts in accordance with local regulations.
- Do not discard the product in regular household waste; instead, contact your local waste management

authority for proper disposal methods.

- Ensure that all parts are securely stored until disposal to prevent accidental use.

Contact Information for Further Support

For any inquiries or concerns regarding the 1911 "EZ FIT HIGRIP" Beavertail Safety Series 80, please refer to the manufacturer's contact information provided with your product. Always ensure you have the latest safety updates and product recalls.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your 1911 "EZ FIT HIGRIP" Beavertail Safety Series 80. Remember to stay informed about safety practices and report any unsafe products or incidents to the relevant authorities. Thank you for prioritizing safety in your firearm handling.
