

1911 "E-Z FIT HI-GRIP" BEAVERTAIL SAFETY - SERIES 70, PALMSWELL HI-GRIP SAFETY, S/S

[Handgun Parts](#) > [Safety Parts](#) > [Safeties](#)

Lowers The Pistol's Line Of Sight In Your Hand

Curved shape drops the pistol deeper into the hand and lowers the line of sight for less felt recoil and a faster pointing gun. Wide beavertail shape prevents the hammer from "bit-ing" the web of the hand. Palmswell"! model features a raised pad that maintains constant hand contact for the shooter using a high thumb hold.

Safety Instruction Guide for 1911 "EZ FIT HIGRIP" BEAVERTAIL SAFETY SERIES 70

Introduction

Thank you for your purchase of the 1911 "EZ FIT HIGRIP" Beavertail Safety Series 70. This product is designed to enhance your shooting experience by improving grip and safety. It is important to follow these safety instructions to ensure safe and effective use of the product. This guide complies with the EU General Product Safety Regulation (GPSR) to provide you with essential safety information.

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before using this product.
- Always treat your firearm as if it is loaded.
- Store your firearm and accessories in a safe place, out of reach of children and unauthorized users.
- Regularly inspect the beavertail safety for signs of wear or damage.
- Follow all local laws and regulations regarding firearm safety and usage.
- If you notice any malfunction or irregularity during use, cease operation immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Ensure that the beavertail safety is properly installed according to the manufacturer's instructions.
- Use only the specified models (Government, Commander, Officers) for compatibility with this product.
- Always use the firearm in a safe environment, ensuring that the shooting area is clear of obstructions and bystanders.
- Maintain a proper grip on the firearm to prevent slipping or accidental discharge.
- Avoid placing your fingers on the trigger until you are ready to shoot.
- If using the high thumb hold feature, ensure that your thumb does not interfere with the operation of the firearm.
- Be aware of the recoil and adjust your grip accordingly to maintain control during firing.

Instructions for Installation and Usage

Installation

1. **Read the Manual:** Before installation, read the firearm's manual and this safety instruction guide.
2. **Gather Tools:** Ensure you have the necessary tools for installation, such as a screwdriver and any other required tools.
3. **Remove the Existing Safety:** If applicable, safely remove the existing beavertail safety from your firearm.
4. **Install the New Beavertail Safety:**
 - Align the beavertail safety with the specified mounting points on your firearm.
 - Securely attach the safety using the appropriate screws or fasteners.
 - Ensure that the beavertail safety operates smoothly without obstruction.
5. **Test Functionality:** After installation, check the functionality of the safety by performing a dry fire practice (without ammunition).
6. **Seek Professional Help:** If unsure about installation, consult a qualified gunsmith.

Usage

- Always follow the basic rules of firearm safety while using your firearm equipped with the beavertail safety.
- Adjust your grip according to the raised pad feature of the palmswell model for optimal control.

- Practice regularly to become familiar with the feel and operation of the beavertail safety.

Disposal Instructions

- Dispose of the beavertail safety and any associated materials in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with local authorities for proper disposal methods for firearm accessories.

Contact Information for Further Support

For any questions or concerns regarding the 1911 "EZ FIT HIGRIP" Beavertail Safety Series 70, please refer to the manufacturer's contact information provided with your purchase.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your 1911 "EZ FIT HIGRIP" Beavertail Safety Series 70. Always prioritize safety and consult professionals when in doubt. Thank you for choosing our product, and happy shooting!
