

# 1911 MAINSPRING HOUSING W/ MAGWELL - GM MAG GUIDE, SS, ARCHED

[Handgun Parts](#) > [Frame Parts](#) > [Mainspring Parts](#) > [Mainspring Housings](#)

## Extra-Wide For Faster Reloads

Drop-in, one-piece mag well and mainspring housing makes the mag well opening 100% bigger for easier magazine insertion and faster, "can't-miss" mag changes. Increases grip length by  $\frac{1}{4}$ " for additional leverage and greater recoil control. For a no-slip, no-shift grip, mainspring housing features extra-defined, 20 lpi checkering, unless otherwise noted. Smooth models have unchecked mainspring housing. Grooved model has full-length vertical grooves on the mainspring housing.

# Safety Instruction Guide for 1911 Mainspring Housing with Magwell GM Mag Guide

## Introduction

Thank you for choosing the 1911 Mainspring Housing with Magwell GM Mag Guide. This product is designed to enhance the functionality of your firearm while ensuring user safety. Please read this safety instruction guide thoroughly before installation and use to ensure proper handling and maintenance.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure the firearm is unloaded before handling or installing any components.
- Store the firearm and components in a secure location, out of reach of children and unauthorized users.
- Inspect the product for any damage before use. Do not use the product if it is damaged.
- Follow all local laws and regulations regarding firearm use and modifications.
- Be aware of your surroundings and ensure a safe environment when using your firearm.

## Specific Safety Precautions for Use

- The mainspring housing is designed for use with specific models of the 1911. Ensure compatibility with your firearm model (Government, Commander, or Officers Model).
- Use only the recommended tools for installation to prevent damage to the product or the firearm.
- Ensure that the mag well is free of obstructions before inserting magazines.
- Do not attempt to modify or alter the mainspring housing in any way, as this may compromise safety and functionality.
- If you experience any issues with the product during use, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Tools Required:

- Appropriate screwdriver (flathead or Phillips, depending on your firearm)
- Punch tool (if necessary for pin removal)

### 2. Installation Steps:

- Ensure your firearm is unloaded and safe to work on.
- Remove the existing mainspring housing from your firearm by following these steps:
  - Remove the magazine and clear the chamber.
  - Use the punch tool to remove the pin securing the mainspring housing.
  - Carefully slide out the old mainspring housing.
- Take the new 1911 Mainspring Housing with Magwell and align it with the firearm's frame.
- Insert the new mainspring housing into the frame, ensuring it fits snugly.
- Reinsert the pin to secure the mainspring housing in place.
- Test the fit by ensuring the mag well opens and closes properly.

### 3. Usage:

- Once installed, practice inserting and removing magazines to familiarize yourself with the new mag well.

- Ensure a firm grip on the firearm when using it to maintain control and safety.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the product is no longer in use or is deemed unsafe, consult local guidelines for the disposal of firearm components.
- Do not discard any parts in regular trash; contact a local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the 1911 Mainspring Housing with Magwell GM Mag Guide, please refer to the contact information provided by the retailer or manufacturer from whom you purchased the product.

By following these guidelines, you can ensure the safe and effective use of your 1911 Mainspring Housing with Magwell GM Mag Guide. Always prioritize safety and consult professionals when in doubt. Thank you for your attention to these important safety instructions.
