

1911 MAINSPRING HOUSING W/ MAGWELL - OM MAG GUIDE, SS, FLAT

[Handgun Parts](#) > [Frame Parts](#) > [Mainspring Parts](#) > [Mainspring Housings](#)

Extra-Wide For Faster Reloads

Drop-in, one-piece mag well and mainspring housing makes the mag well opening 100% bigger for easier magazine insertion and faster, “can’t-miss” mag changes. Increases grip length by ¼" for additional leverage and greater recoil control. For a no-slip, no-shift grip, mainspring housing features extra-defined, 20 lpi checkering, unless otherwise noted. Smooth models have unchecked mainspring housing. Grooved model has full-length vertical grooves on the mainspring housing.

Safety Instruction Guide for 1911 Mainspring Housing with Magwell

Introduction

Thank you for choosing the 1911 Mainspring Housing with Magwell from Smith & Alexander. This product is designed to enhance your firearm's performance and usability. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle firearms with care and respect.
- Ensure that the firearm is unloaded before performing any installation or maintenance.
- Store firearms and ammunition in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your firearm and its components for wear and damage.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Be aware of your surroundings and ensure a safe environment when handling firearms.

Specific Safety Precautions for Use

- Do not attempt to install or modify the mainspring housing while the firearm is loaded.
- Ensure that the mainspring housing is compatible with your specific firearm model (Officers Model).
- Avoid using excessive force during installation to prevent damage to the firearm or the housing.
- Always wear appropriate eye protection when handling firearms.
- If you experience any issues during installation or usage, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation.

2. Installation Steps

- Remove the existing mainspring housing from the firearm by following the manufacturer's instructions.
- Align the new mainspring housing with the firearm's frame.
- Gently press the mainspring housing into place, ensuring it fits securely.
- Check for proper alignment and ensure that there are no gaps between the housing and the frame.
- Reinstall any components that were removed during the process.

3. Usage

- Once installed, test the functionality of the magwell by inserting and removing magazines.
- Ensure that the grip feels secure and comfortable.
- Regularly check the installation for any signs of wear or loosening.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the product is damaged beyond repair, dispose of it responsibly, ensuring that it does not pose a risk to

the environment or public safety.

Contact Information for Further Support

For any questions or concerns regarding the 1911 Mainspring Housing with Magwell, please contact the manufacturer or a qualified retailer for assistance.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation. Your responsible handling of firearms contributes to a safer environment for everyone.
