# Safety Instruction Guide for AR308 Vortex Flash Eliminator 30 Cal

## Introduction

Thank you for purchasing the AR308 Vortex Flash Eliminator 30 Cal by Smith Enterprise. This product is designed to enhance your shooting experience by reducing muzzle flash while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the product properly.

## General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Ensure you are in a safe environment when handling firearms and accessories.
- Keep the product out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure that no one is in the line of fire.
- Always wear appropriate eye and ear protection when shooting.
- Do not modify or alter the product in any way.
- Regularly inspect the product for signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

- Ensure that the flash eliminator is securely attached to the firearm before use.
- Do not use the product if it shows signs of damage or wear.
- Avoid using the flash eliminator with ammunition that exceeds the specified caliber.
- Do not point the firearm at anything you do not intend to shoot.
- Be cautious of the potential for increased noise when using a flash eliminator.
- Always follow the manufacturer's instructions for installation and usage.
- If you experience any malfunctions or unusual performance, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Clean the threads on the muzzle of the firearm to remove any debris.
- Align the flash eliminator with the threads of the muzzle.
- Screw the flash eliminator onto the muzzle in a clockwise direction until it is handtight.
- Use a wrench to tighten the flash eliminator further, but avoid overtightening which may cause damage.

### 2. Usage:

- Confirm that the flash eliminator is securely attached before firing.
- Fire the firearm in a safe environment, ensuring all safety precautions are observed.
- Monitor the performance of the flash eliminator during use, and check for any signs of wear or damage after each use.
- If using a sound suppressor, ensure it is compatible with the flash eliminator and securely attached.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for metal and firearm accessories.
- Do not dispose of the product in regular household waste.
- If you are unsure of the disposal method, consult local waste management authorities for guidance.

## Contact Information for Further Support

For any questions or concerns regarding the AR308 Vortex Flash Eliminator 30 Cal, please refer to the manufacturer's website or contact their support team. Always ensure that you are reaching out to an EUbased contact for safety inquiries.

## Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your AR308 Vortex Flash Eliminator 30 Cal. Always prioritize safety and compliance with local laws regarding firearm usage and accessories. Thank you for choosing Smith Enterprise.
