

# SPRINGFIELD M1 GARAND MUZZLE BRAKE 30 CALIBER - SMITH ENTERPRISE MUZZLE BRAKE 30 CALIBER 9/16-32 SS PHOSPHATE

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

## Drop-On Comp Makes The Mighty M1 Easier & More Comfortable To Shoot

Dual chamber compensator greatly diminishes muzzle lift and felt recoil without changing the balance or feel of the rifle. A great device for introducing younger shooters to the M1 Garand. Easy to install, simply remove the gas cylinder lock and replace with this brake. Requires no permanent alterations to your prized rifle. Not legal for service rifle matches.

# SPRINGFIELD M1 GARAND MUZZLE BRAKE SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Springfield M1 Garand Muzzle Brake. This product is designed to enhance your shooting experience by reducing muzzle lift and felt recoil. Please read this safety instruction guide carefully to ensure safe use and compliance with EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that all users are familiar with firearm safety principles.
- Keep this product out of reach of children and unauthorized users.
- Always treat firearms as if they are loaded.
- Regularly inspect the muzzle brake for signs of wear or damage.
- Follow all local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation or use may lead to increased recoil or muzzle rise, affecting accuracy and safety.
- **Age Restrictions:** This product is not intended for use by individuals under the age of 18 without adult supervision.
- **Shooting Environment:** Always use this product in a safe and controlled shooting environment.
- **Personal Protective Equipment:** Use appropriate eye and ear protection when shooting.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove the Gas Cylinder Lock:** Carefully unscrew the gas cylinder lock from your M1 Garand.
3. **Attach the Muzzle Brake:** Align the muzzle brake with the threads and screw it onto the barrel securely.
4. **Check Stability:** Ensure that the muzzle brake is firmly attached and does not wobble.

### Usage

- Always check the installation before each use.
- Use the muzzle brake only with the M1 Garand and .30 caliber ammunition.
- Do not modify the muzzle brake or the firearm in any way.
- If you experience any unusual recoil or performance issues, stop using the product immediately and consult a qualified gunsmith.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for metal waste.
- Do not dispose of the product in regular household waste.
- Consider recycling the product if possible.

## Contact Information for Further Support

For any inquiries regarding safety or product performance, please consult the manufacturer or your local

authorized dealer.

By following these guidelines, you can ensure a safe and enjoyable shooting experience with your Springfield M1 Garand Muzzle Brake. Thank you for your attention to safety.
