SCG AR15/M16 ACCUGRIP BARREL VISE JAWS

Safety Instruction Guide

Introduction

Thank you for choosing the SCG AR15/M16 ACCUGRIP BARREL VISE JAWS by Saturn Products. This product is designed to securely hold your AR15/M16 barrels while minimizing the risk of damage. Please read this safety instruction guide carefully to ensure safe and effective use.

General Safety Guidelines

- Always ensure that the work area is clean and welllit.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product before each use for any signs of wear or damage.
- Use only as intended; do not modify or alter the product.
- Follow all local laws and regulations regarding the use of firearm accessories.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the barrel is free of any obstructions before placing it in the vise jaws.
- Do not exceed the recommended weight limit of the vise (4 inches and wider).
- Use protective eyewear when working with firearms to prevent injury.
- Avoid using excessive force when tightening the vise jaws to prevent damage to the barrel.
- Do not leave the product unattended while in use.
- If you experience any difficulties or feel unsure about the usage, seek assistance from a knowledgeable individual.

Instructions for Installation and Usage

1. Preparation

- Ensure the work area is clean and organized.
- Gather all necessary tools and equipment.

2. Installation

- Open the vise jaws by turning the handle counterclockwise.
- Place the barrel securely between the jaws, ensuring it is aligned properly.
- Close the jaws by turning the handle clockwise until the barrel is held firmly but not overly tight.

3. Usage

- Confirm that the barrel is securely held in place before proceeding with any work.
- Perform your tasks carefully, ensuring that the barrel is not subjected to any undue stress.
- After completing your work, loosen the jaws to safely remove the barrel.

4. PostUsage

- Clean the vise jaws with a soft cloth to remove any debris or residue.
- Store the product in a safe and dry location when not in use.

Disposal Instructions

- Dispose of this product in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the product is damaged or no longer usable, consider recycling materials where possible.

Contact Information for Further Support
