

# TUF-CLOTH™ & TUF-GLIDE™ LIQUID - SCOPECOAT TUF-CLOTH

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Rust Prevention](#)

## Long-Lasting Lubrication & Corrosion Protection That Won't Attract Sand, Dirt Or Contaminants

Endorsed by the U.S. Navy Seals. Lint-free, saturated with a high-tech cleaner, lubricant and rust preventive for all metal. Leaves invisible, water-displacing, corrosion-inhibiting, protective film that will not attract dirt or dust. Resealable pouch. Marine - For metal exposed to salt water spray. Tuf-Glide - Rust inhibitor and lube in a needle-tip bottle or pen-style applicator that fits in the pocket. Just a drop on high friction areas makes parts glide with ease. 8 oz. Tuf-Glide Liquid - Use to "recharge" the Tuf-Cloth. Dries quickly, leaves no tacky residue; waterproof, won't wash off, won't thicken in cold weather.

## Attributes

- Name: [SCOPECOAT TUF-CLOTH](#)
- Manufacturer: [SCOPECOAT](#)
- Product no.: 854100120
- Mfr. No.: 91010
- Material: Cloth
- Size: 12 x 12
- Delivery weight: 0.023kg
- UPC: 766793910109

# TUFCLOTH™ & TUFGSLIDE™ LIQUID SCOPECOAT Safety Instructions

## Introduction

Thank you for choosing TUFCLOTH™ and TUFGSLIDE™ Liquid Scopecoat. These products are designed to provide effective cleaning, lubrication, and rust prevention for metal surfaces. Please read this safety instruction guide carefully to ensure safe and effective use.

## General Safety Guidelines

- Always use the product in a wellventilated area to avoid inhaling fumes.
- Keep the product out of reach of children and pets.
- Do not ingest the product. It is not intended for food use.
- Wear appropriate protective gear such as gloves and safety glasses when using the product.
- Avoid contact with eyes and skin. In case of contact, rinse immediately with water.
- Do not use on surfaces that will come into contact with food or beverages.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Dispose of any unused product or packaging responsibly, following local regulations.

## Specific Safety Precautions for Use

- TUFCLOTH™:
  - Ensure the cloth is used on cool surfaces to prevent burns or heatrelated injuries.
  - Do not use if the cloth is damaged or torn.
  - Keep the cloth away from open flames or sparks, as it may be flammable.
- TUFGSLIDE™:
  - Use the needletip bottle or penstyle applicator carefully to avoid spills.
  - Apply a small amount to high friction areas only. Excess application may lead to slippery surfaces, posing a risk of slips or falls.
  - Ensure the cap is securely closed after use to prevent leakage.

## Instructions for Installation and Usage

### TUFCLOTH™

1. Remove the TUFCLOTH™ from the resealable pouch.
2. Wipe the metal surface gently, ensuring even coverage.
3. Allow the protective film to dry; it will not attract dirt or dust.
4. Reseal the pouch after use to maintain the cloth's effectiveness.

### TUFGSLIDE™

1. Shake the TUFGSLIDE™ bottle well before use.
2. Apply a small drop to the desired area using the needletip applicator or penstyle applicator.
3. Spread evenly on high friction areas to ensure optimal lubrication.
4. Allow to dry; it will not leave a tacky residue and is waterproof.
5. To recharge the TUFCLOTH™, apply the TUFGSLIDE™ liquid directly onto the cloth.

## **Disposal Instructions**

- Dispose of any unused product in accordance with local regulations.
- Do not pour the product down the drain or into water bodies.
- Recycle the plastic packaging if facilities are available in your area.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding TUF CLOTH™ and TUF GLIDE™, please refer to the product packaging or visit the manufacturer's website for more information.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of TUF CLOTH™ and TUF GLIDE™ Liquid Scopecoat. Always prioritize safety and take appropriate precautions when using these products. Thank you for your attention to these guidelines.
