

# #2 MUZZLE BRAKE 22 CALIBER - SHREWD #2 MUZZLE BRAKE 22 CALIBER 9/16-24 CHROME MOLY SILVER

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

Multi-port brake softens felt recoil and reduces muzzle rise. A single expansion chamber and 42 total ports, 21 on each side, angled 7° forward, provide maximum recoil control. Gunsmithing required. Comes with a .220" (nominal) diameter exit hole that must be opened up to .020" larger than bullet diameter. Can be enlarged to allow bullets up to .44 caliber. Rear exterior of comp can be machined to conform to barrel.

## Attributes

# Safety Instruction Guide for #2 Muzzle Brake 22 Caliber

## Introduction

Thank you for choosing the #2 Muzzle Brake 22 Caliber from SHREWD. This product is designed to enhance your shooting experience by reducing recoil and muzzle rise. However, proper installation and usage are essential for your safety and the optimal performance of the product. Please read this guide carefully to understand the safety precautions and instructions related to this product.

## General Safety Guidelines

- Always handle firearms and related accessories with care and responsibility.
- Ensure that you are legally permitted to use this product in your jurisdiction.
- This product is intended for use with firearms. Only use it with compatible rifles.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the product for wear and damage. Do not use if damaged.
- Follow all applicable laws and regulations regarding firearms and accessories.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installation or maintenance of the muzzle brake.
- Always wear appropriate eye and ear protection when shooting.
- Do not modify the muzzle brake beyond the specified recommendations in this guide.
- Be aware of your surroundings when shooting, ensuring a safe environment.
- If you experience excessive recoil or unusual performance, stop using the product immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure you have the necessary tools for installation, including a wrench and measuring tools.
- Verify that your rifle's barrel is compatible with the muzzle brake specifications.

### 2. Installation

- Remove the existing muzzle device (if applicable) from your firearm.
- Clean the muzzle threads to ensure a proper fit.
- Align the muzzle brake with the barrel threads, ensuring the exit hole is properly oriented.
- Handtighten the muzzle brake onto the barrel threads.
- Use a wrench to securely tighten the muzzle brake, but avoid overtightening as this may damage the threads.

### 3. Usage

- Once installed, test the firearm in a safe environment, ensuring that the muzzle brake is functioning as intended.
- Monitor the performance during use and ensure that the exit hole is not obstructed.
- After use, clean the muzzle brake to maintain its performance and longevity.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding firearms accessories.
- Do not dispose of the product in regular household waste.
- Consider recycling any metal components if possible.

## **Contact Information for Further Support**

For inquiries or concerns regarding the #2 Muzzle Brake 22 Caliber, please refer to the manufacturer's official website or customer support resources.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your #2 Muzzle Brake 22 Caliber. Always prioritize safety and responsibility when handling firearms and their accessories. Thank you for your attention and for choosing SHREWD.
