

# #4 MUZZLE BRAKE 22 CALIBER - SHREWD #4 MUZZLE BRAKE 22 CALIBER 5/8-24 CHROME MOLY SILVER

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

Multi-port brake softens felt recoil and reduces muzzle rise. A single expansion chamber and 42 total ports, 21 on each side, angled 7° forward, provide maximum recoil control. Gunsmithing required. Comes with a .220" (nominal) diameter exit hole that must be opened up to .020" larger than bullet diameter. Can be enlarged to allow bullets up to .44 caliber. Rear exterior of comp can be machined to conform to barrel.

# Safety Instruction Guide for #4 Muzzle Brake 22 Caliber Shrewd

## Introduction

Thank you for choosing the #4 Muzzle Brake 22 Caliber Shrewd. This product is designed to enhance your shooting experience by reducing felt recoil and muzzle rise. However, it is essential to understand how to use it safely and effectively. This guide provides important safety information, installation instructions, and usage precautions to ensure your safety and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle firearms and accessories with care.
- Ensure that the muzzle brake is compatible with your firearm before installation.
- Read and understand all instructions before using the muzzle brake.
- Keep the product out of reach of children and unauthorized users.
- Use personal protective equipment (PPE) such as ear and eye protection when shooting.
- Regularly inspect the muzzle brake for wear and damage.
- Report any accidents or unsafe conditions to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the muzzle brake.
- Do not exceed the recommended bullet diameter for the muzzle brake.
- Be aware of the potential for increased noise levels when using a muzzle brake.
- Avoid using the muzzle brake in confined spaces without proper ventilation.
- Do not modify the muzzle brake beyond the recommended specifications.
- Ensure that the exit hole is properly enlarged to accommodate the bullet diameter.
- Always follow local laws and regulations regarding firearms and accessories.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a gunsmithing tool if required.

### 2. Installation Steps

- Remove the existing muzzle device from the firearm.
- Clean the threads on the barrel to ensure a proper fit.
- Align the muzzle brake with the threads on the barrel.
- Screw the muzzle brake onto the barrel, ensuring it is secure but not overly tightened.
- If required, enlarge the exit hole to .020" larger than the bullet diameter using appropriate tools.

### 3. Usage Instructions

- Before shooting, doublecheck that the muzzle brake is securely attached.
- Use the firearm in a safe environment, following all safety protocols.
- Monitor the performance of the muzzle brake during use, and inspect for any signs of wear or damage after shooting sessions.

### 4. PostUse Care

- Clean the muzzle brake after each use to remove carbon buildup and debris.
- Store the firearm and muzzle brake in a safe, dry location.

## **Disposal Instructions**

- Dispose of the muzzle brake according to local regulations for metal and firearm accessories.
- Do not dispose of the muzzle brake in regular household waste.
- Contact local recycling centers for information on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the #4 Muzzle Brake 22 Caliber Shrewd, please refer to the manufacturer's contact information or your local dealer. Ensure you have the product details available for reference.

By following these safety instructions and guidelines, you can ensure a safer shooting experience with your #4 Muzzle Brake 22 Caliber Shrewd. Always prioritize safety and responsibility when using firearms and accessories.
