

# #01 MUZZLE BRAKE 22 CALIBER - SHREWD #01 MUZZLE BRAKE 22 CALIBER 7/16-28 SS SILVER

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

## Ready-To-Fit Brakes Enhance Recoil Control

Multi-port brake softens felt recoil and reduces muzzle rise. A single expansion chamber and 42 total ports, 21 on each side, angled 7° forward, provide maximum recoil control. Gunsmithing required. Comes with a .220" (nominal) diameter exit hole that must be opened up to .020" larger than bullet diameter. Can be enlarged to allow bullets up to .44 caliber. Rear exterior of comp can be machined to conform to barrel.

# Safety Instruction Guide for #01 MUZZLE BRAKE 22 CALIBER SHREWD

## Introduction

Thank you for choosing the #01 Muzzle Brake 22 Caliber Shrewd. This product is designed to enhance your shooting experience by reducing felt recoil and muzzle rise. To ensure safe and effective use, please read this safety instruction guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the muzzle brake is compatible with your firearm before installation.
- Always handle firearms with care and follow standard safety practices.
- Keep the muzzle brake out of reach of children and unauthorized users.
- Regularly inspect the muzzle brake for signs of wear or damage.
- Use appropriate personal protective equipment (PPE) when handling firearms, such as safety glasses and hearing protection.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may lead to firearm malfunction or injury.
- Failure to enlarge the exit hole correctly may cause bullet obstruction.
- Use of the muzzle brake with incompatible calibers can result in dangerous conditions.

### • Avoiding Hazards:

- Always consult a qualified gunsmith for installation if you are unsure.
- Do not exceed the recommended caliber size; the muzzle brake can be enlarged to accommodate bullets up to .44 caliber.
- Ensure the rear exterior of the muzzle brake is machined correctly to fit your barrel.

### • AgeSpecific Warnings:

- This product is intended for use by individuals aged 18 and over. Ensure that minors are supervised when handling firearms.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather necessary tools, including a wrench and any required machining equipment.
- Ensure the firearm is unloaded and pointed in a safe direction.

### 2. Installation:

- Remove the existing muzzle device from your firearm.
- Clean the muzzle threads to remove any debris or residue.
- Screw the muzzle brake onto the barrel, ensuring that it is aligned correctly.
- If necessary, have a qualified gunsmith machine the rear exterior of the muzzle brake to fit your barrel.

- Confirm that the exit hole is enlarged to .020 inches larger than the bullet diameter.

### **3. Usage:**

- After installation, conduct a function check to ensure the muzzle brake is secure.
- Always wear appropriate PPE while shooting.
- Monitor the performance of the muzzle brake during use and inspect it regularly for any signs of damage.

## **Disposal Instructions**

- Dispose of the muzzle brake in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for guidance on proper disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the #01 Muzzle Brake 22 Caliber Shrewd, please contact the manufacturer's customer support or refer to the product's official website for additional resources.

Thank you for prioritizing safety while using the #01 Muzzle Brake. Your responsible handling of this product contributes to a safer shooting environment for everyone.
