

# #1 MUZZLE BRAKE 22 CALIBER - SHREWD #1 MUZZLE BRAKE 22 CALIBER 1/2-28 SS SILVER

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

Multi-port brake softens felt recoil and reduces muzzle rise. A single expansion chamber and 42 total ports, 21 on each side, angled 7° forward, provide maximum recoil control. Gunsmithing required. Comes with a .220" (nominal) diameter exit hole that must be opened up to .020" larger than bullet diameter. Can be enlarged to allow bullets up to .44 caliber. Rear exterior of comp can be machined to conform to barrel.

# Safety Instruction Guide for SHREWD #1 MUZZLE BRAKE 22 CALIBER

## Introduction

Thank you for purchasing the SHREWD #1 MUZZLE BRAKE 22 CALIBER. This product is designed to enhance your shooting experience by reducing recoil and muzzle rise. However, it is essential to follow safety guidelines to ensure safe and effective use. This guide will provide you with important safety information, installation instructions, and contact information for further support.

## General Safety Guidelines

- Always handle firearms and accessories with care and respect.
- Ensure that the muzzle brake is compatible with your firearm before installation.
- Always wear appropriate eye and ear protection while using firearms equipped with a muzzle brake.
- Never point a firearm at anything you do not intend to shoot.
- Keep the muzzle brake and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect the muzzle brake for any signs of damage or wear before use.
- Be aware of your surroundings and ensure a safe shooting environment.

## Specific Safety Precautions for Use

- Use only ammunition that is compatible with the muzzle brake specifications.
- Ensure that the exit hole is enlarged to .020" larger than the bullet diameter before use.
- Do not exceed the recommended caliber size; the muzzle brake can be enlarged to allow bullets up to .44 caliber.
- Avoid using the muzzle brake if it is damaged or if the installation is not secure.
- Follow all local laws and regulations regarding the use of muzzle brakes and firearms.

## Instructions for Installation and Usage

### Installation Instructions

1. **Preparation:** Ensure your firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Muzzle Device:** If applicable, carefully remove any existing muzzle device from your firearm.
3. **Inspect the Muzzle Brake:** Check the SHREWD #1 MUZZLE BRAKE for any visible defects or damage.
4. **Install the Muzzle Brake:**
  - Align the muzzle brake with the threads of your firearm's muzzle.
  - Screw the muzzle brake onto the threads, ensuring it is secure but do not overtighten.
5. **Machining (if necessary):** If required, the rear exterior of the muzzle brake can be machined to conform to your barrel specifications.
6. **Final Check:** Verify that the muzzle brake is properly installed and secure before proceeding to use.

### Usage Instructions

- When ready to shoot, ensure that you are in a safe shooting position.
- Load your firearm with compatible ammunition.
- Fire the weapon while maintaining control and awareness of your surroundings.
- After shooting, inspect the muzzle brake for any signs of wear or damage.

## Disposal Instructions

- Dispose of the muzzle brake in accordance with local regulations for metal products.
- If the product is damaged or no longer usable, ensure it is disposed of safely to prevent any hazards.

## Contact Information for Further Support

For any inquiries regarding safety, installation, or usage of the SHREWD #1 MUZZLE BRAKE, please refer to the contact details provided with your product. Always ensure that you are following the latest safety guidelines and regulations.

By following these guidelines, you can ensure a safe and enjoyable experience with your SHREWD #1 MUZZLE BRAKE 22 CALIBER. Thank you for your attention to safety.
