

## #2 MUZZLE BRAKE 22 CALIBER - SHREWD #2 MUZZLE BRAKE 22 CALIBER 9/16-24 SS SILVER

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

Multi-port brake softens felt recoil and reduces muzzle rise. A single expansion chamber and 42 total ports, 21 on each side, angled 7° forward, provide maximum recoil control. Gunsmithing required. Comes with a .220" (nominal) diameter exit hole that must be opened up to .020" larger than bullet diameter. Can be enlarged to allow bullets up to .44 caliber. Rear exterior of comp can be machined to conform to barrel.

# Safety Instruction Guide for #2 Muzzle Brake 22 Caliber Shrewd

## Introduction

Thank you for choosing the #2 Muzzle Brake 22 Caliber by Shrewd. This product is designed to enhance your shooting experience by reducing felt recoil and muzzle rise. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that you are familiar with the operation and handling of your firearm before using the muzzle brake.
- Use the muzzle brake only with firearms that are compatible with its specifications.
- Keep the muzzle brake and all firearms out of reach of children and unauthorized users.
- Always wear appropriate safety gear, including eye and ear protection, when shooting.
- Do not modify the muzzle brake or any firearm components without consulting a qualified gunsmith.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper installation may result in malfunction or injury.
  - Failure to follow installation and usage instructions may lead to increased recoil or muzzle rise.
  - The muzzle brake must be used with bullets not exceeding .44 caliber.
- **To Avoid Hazards:**
  - Ensure the exit hole is properly enlarged to accommodate the bullet diameter.
  - Do not exceed the recommended caliber limits.
  - Always check for proper fit and secure attachment before shooting.
- **AgeSpecific Warnings:**
  - This product is intended for use by adults or under adult supervision. It is not suitable for children.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove any existing muzzle device from the firearm.
- Clean the muzzle threads of the firearm to ensure a proper fit.
- Carefully screw the muzzle brake onto the firearm's muzzle, ensuring it is securely attached.
- The rear exterior of the muzzle brake can be machined to conform to the barrel if necessary.
- Verify that the brake is installed correctly and is secure before proceeding.

### 2. Usage:

- Always follow safe shooting practices.
- Use the muzzle brake only with compatible firearms and ammunition.
- After installation, check the muzzle brake for any signs of damage or wear before each use.

- Monitor the performance of the muzzle brake during use. If you notice any unusual behavior, cease use immediately and consult a professional.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for metal recycling.
- Ensure that the product is rendered unusable before disposal to prevent any potential misuse.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please refer to the manufacturer's contact information provided with your purchase. It is important to have access to support for any questions or concerns you may have.

By following these safety instructions, you can ensure a safer shooting experience with your #2 Muzzle Brake 22 Caliber. Thank you for your attention to safety.
