# Safety Instruction Guide for Replacement Tips Satellite City Hot Tips

## Introduction

Thank you for choosing the Replacement Tips Satellite City Hot Tips. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that all safety instructions are followed to prevent accidents or injuries.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as described in this guide.
- Regularly check for any signs of damage or wear before use.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Avoid direct contact with skin and eyes. If contact occurs, rinse immediately with plenty of water and seek medical advice if irritation persists.
- Do not ingest the adhesive. In case of accidental ingestion, seek medical attention immediately.
- Ensure adequate ventilation when using the product to avoid inhalation of fumes.
- Do not use the product near open flames or heat sources.
- Store the product in a cool, dry place away from direct sunlight and heat.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the surface where the adhesive will be applied is clean, dry, and free of dust or grease.
- Shake the adhesive bottle gently before use to ensure proper mixing.

### 2. Replacing Tips:

- Remove the clogged tip by twisting it off the bottle.
- Select a new tip from the replacement pack and snap it onto the bottle securely.
- For very fine applications, use the ProTips applicator as needed.

### 3. Application:

- Squeeze the bottle gently to apply a small amount of adhesive to the desired area.
- Use the fine tip applicator for precise applications where only a tiny amount is needed.
- Allow the adhesive to cure as per the manufacturer's instructions for optimal bonding.

### 4. PostUse:

- After use, replace the cap securely to prevent the adhesive from drying out.
- Clean any excess adhesive from the tip to avoid clogging.

## Disposal Instructions

- Dispose of any unused adhesive and tips in accordance with local regulations.

- Do not dispose of the product in household waste. Check for local hazardous waste disposal guidelines.
- Ensure that the product is completely empty before disposal.
