Specific Safety Precautions for Use

- Avoid contact with skin and eyes. If contact occurs, rinse immediately with plenty of water.
- Ensure proper ventilation when using the product to avoid inhalation of fumes.
- Do not apply excessive pressure when using the applicators to prevent clogging or breakage.
- Use only the recommended adhesive with the ProTips to avoid chemical reactions or product failure.
- If you experience any adverse reactions while using the product, discontinue use immediately and seek medical advice.

Instructions for Installation and Usage

1. Preparation:

- Ensure the work area is clean and free of clutter.
- Gather all necessary materials, including the adhesive and the ProTips.

2. Installation:

- Remove the standard tip from the adhesive bottle.
- Select the appropriate ProTip based on the amount of adhesive required for your task.
- Carefully snap the ProTip onto the adhesive bottle, ensuring a secure fit.

3. Usage:

- Gently squeeze the bottle to dispense the adhesive through the ProTip.
- Apply the adhesive sparingly to the specific area as needed.
- If the tip becomes clogged, remove it and clean it with warm water or a suitable solvent.

4. PostUse Care:

- After use, remove the ProTip and clean it thoroughly.
- Store the ProTips in their original packaging to maintain cleanliness and prevent damage.

Disposal Instructions

- Dispose of the product in accordance with local waste management regulations.

- Do not dispose of the product in household waste. Check for recycling options available in your area.
- Ensure that all used ProTips are disposed of properly to prevent environmental hazards.
