

# SIDE SADDLE SHELL HOLDER - FITS REMINGTON 870/1100/1187 ESN/4, 12 GA

[Shooting Accessories](#) > [Speedloaders & Accessories](#) > [Shotgun Shell Holders](#)

## Mounts To Receiver; Holds Extra Rounds For Quick Reloads

Lightweight, molded-nylon shell carrier puts additional fire power quickly within your reach. Aluminum mounting plate attaches to the side of the receiver using the existing pin/screw holes—no permanent alterations or gunsmithing required. Four- and six-round models available for a variety of popular law enforcement shotguns. Rem. 870/1100/11-87 ESN has a convenient window in the mounting plate that leaves the weapon's serial number exposed for viewing with the shell holder installed. Designed for armorers and law enforcement agencies who track their firearms by serial number for inventory, maintenance, and record keeping.

# Safety Instruction Guide for SIDE SADDLE SHELL HOLDER FITS REMINGTON 870/1100/1187 ESN/4, 12 GA

## Introduction

Thank you for choosing the SIDE SADDLE SHELL HOLDER designed for use with Remington 870, 1100, and 1187 shotguns. This guide provides essential safety instructions to ensure the safe and effective use of this product. It is important to read and understand these guidelines before installation and usage.

## General Safety Guidelines

- Always handle firearms with care and follow all safety protocols.
- Ensure the shotgun is unloaded before installing or using the shell holder.
- Keep the shell holder and shotgun out of reach of children and unauthorized users.
- Regularly inspect the shell holder for any signs of wear or damage.
- Do not exceed the recommended capacity of the shell holder.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the shotgun's receiver is clean and free from obstructions before installation.
- Use only the recommended mounting screws and pins provided with the shell holder.
- Avoid installing the shell holder in a way that obstructs the operation of the shotgun.
- Do not modify the shell holder or shotgun in ways not specified in the instructions.
- Be aware of the added weight on the shotgun and adjust your handling accordingly.
- If you are unfamiliar with firearm maintenance, consult a qualified gunsmith for assistance.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the shotgun is completely unloaded.
- Gather all necessary tools, including a screwdriver and the provided mounting screws and pins.

### 2. Installation

- Locate the existing pin/screw holes on the side of the shotgun's receiver.
- Align the aluminum mounting plate of the shell holder with the pin/screw holes.
- Secure the mounting plate using the provided screws and pins, ensuring a tight fit without overtightening.
- Confirm that the shell holder is firmly attached and does not obstruct the operation of the shotgun.

### 3. Usage

- Load the shell holder with the appropriate number of shells (4 or 6 rounds) as per the model you have.
- Ensure that the shells are seated properly in the holder for secure retention.
- When ready to use, check that the shotgun is still unloaded and perform all necessary safety checks.
- After use, remove the shells from the holder and inspect for any signs of wear or damage.

## **Disposal Instructions**

- Dispose of the shell holder responsibly at a designated recycling facility.
- If the shell holder is damaged beyond repair, ensure it is disposed of in a manner that prevents accidental use.

## **Contact Information for Further Support**

For any inquiries regarding safety or product concerns, please refer to your retailer or manufacturer's website for further assistance. Ensure that you have the product details available for efficient support.

By following these guidelines, you can ensure the safe use of the SIDE SADDLE SHELL HOLDER and maintain compliance with safety regulations. Thank you for prioritizing safety in your firearm handling practices.
