# SLIMLINE SIDESADDLE SHELLHOLDER TACSTAR MOSSBERG 500, 590, MAVERICK 88 SHELLHOLDER Safety Instruction Guide

## Introduction

Thank you for choosing the Lyman Slimline Sidesaddle Shellholder for your Mossberg 500, 590, or Maverick 88 shotgun. This product is designed to enhance your shotgun's capacity safely and effectively. Please read this safety instruction guide carefully to ensure the proper and safe use of this product.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that the shotgun is unloaded before installation or when handling the shellholder.
- Store the product in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the shellholder for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- The Lyman Slimline Sidesaddle Shellholder is designed to hold 12gauge shells only. Do not use it with any other caliber shells.
- Ensure that the shellholder is securely attached to the shotgun before use.
- Avoid exposing the shellholder to extreme temperatures or harsh chemicals that may affect its integrity.
- Do not overload the shellholder beyond its designed capacity of six rounds.
- If you notice any defects or issues during use, discontinue use immediately and consult with a qualified professional.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Clean the area of the shotgun receiver where the shellholder will be mounted.
- Align the backing plate of the shellholder with the designated mounting area on the shotgun receiver.
- Securely attach the shellholder using the provided mounting hardware, ensuring it is firmly in place.
- Verify that the installation does not obstruct any operational components of the shotgun.

### 2. Usage

- Load the shellholder with up to six 12gauge shells, ensuring they are seated properly.
- When ready to use, ensure that the shotgun is in a safe condition and that you are familiar with its operation.
- Always maintain proper muzzle control and follow all firearm safety protocols when handling the shotgun.

## Disposal Instructions

- Dispose of the Lyman Slimline Sidesaddle Shellholder in accordance with local regulations.
- If the product is damaged or no longer needed, consider recycling components where possible.

- Do not dispose of the product in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the Lyman Slimline Sidesaddle Shellholder, please consult the manufacturer's website or contact their customer service for assistance.

Thank you for your attention to these safety guidelines. By following the instructions provided, you can ensure a safe and effective experience with your Lyman Slimline Sidesaddle Shellholder.
