

# SHOTGUN BARREL SHROUD - TACSTAR BARREL SHROUD

[Shotgun Parts](#) > [Barrel Parts](#) > [Heat Shields](#)

## Covers The Barrel, Helps Prevent Burns

Stamped, all-steel handguard clamps quickly to plain barreled, self-defense shotguns and protects your hands from contact with a hot barrel. Friction collar and clamp hold the shroud in place and resist movement from recoil. Installation is simple; lightweight, ventilated design requires no permanent alterations and adds only a minimum amount of extra weight.

## Attributes

# SHOTGUN BARREL SHROUD TACSTAR BARREL SHROUD Safety Instruction Guide

## Introduction

Thank you for choosing the SHOTGUN BARREL SHROUD TACSTAR BARREL SHROUD. This product is designed to enhance the safety and functionality of your shotgun by providing a protective handguard that shields your hands from a hot barrel. Please read this safety instruction guide carefully to ensure proper installation and use, and to understand the safety precautions necessary for your wellbeing.

## General Safety Guidelines

- Ensure that the product is suitable for your shotgun model before installation.
- Always handle firearms safely and responsibly.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the shroud for any signs of wear or damage.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Hot Surface Hazard:** The barrel of the shotgun can become extremely hot during use. Always allow the barrel to cool before handling.
- **Recoil Resistance:** Ensure that the friction collar and clamp are securely fastened to prevent movement during recoil.
- **Installation Location:** Install the shroud in a safe environment, away from children and distractions.
- **Proper Use:** Only use the shroud with nonribbed, 12 gauge barrels as specified. Using it with incompatible models may pose safety risks.
- **Avoid Modifications:** Do not make permanent alterations to your shotgun for the installation of the shroud.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your shotgun is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, if any are required.

### 2. Installation:

- Position the shroud over the shotgun barrel.
- Adjust the friction collar and clamp to fit snugly around the barrel.
- Tighten the clamp securely to hold the shroud in place.
- Confirm that the shroud does not obstruct any operational parts of the shotgun.

### 3. Usage:

- Always wear appropriate eye and ear protection when using your shotgun.
- After firing, allow the barrel to cool before touching the shroud or barrel.
- Regularly check the tightness of the shroud before each use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding metal and firearm accessories.
- Do not dispose of the product in regular household waste. Check with your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the SHOTGUN BARREL SHROUD TACSTAR BARREL SHROUD, please refer to your retailer or manufacturer's website for contact information and support resources.

Please keep this safety instruction guide for future reference and ensure that all users of the product understand the safety precautions and installation instructions. Your safety is our priority.
