

SIDE SADDLE SHELL HOLDER - LYMAN FITS MOSSBERG 500, 6 RND, 12 GA

[Shooting Accessories](#) > [Speedloaders & Accessories](#) > [Shotgun Shell Holders](#)

Mounts To Receiver; Holds Extra Rounds For Quick Reloads

Lightweight, molded-nylon shell carrier puts additional fire power quickly within your reach. Aluminum mounting plate attaches to the side of the receiver using the existing pin/screw holes—no permanent alterations or gunsmithing required. Four- and six-round models available for a variety of popular law enforcement shotguns. Rem. 870/1100/11-87 ESN has a convenient window in the mounting plate that leaves the weapon's serial number exposed for viewing with the shell holder installed. Designed for armorers and law enforcement agencies who track their firearms by serial number for inventory, maintenance, and record keeping.

SIDE SADDLE SHELL HOLDER LYMAN Safety Instruction Guide

Introduction

Thank you for purchasing the SIDE SADDLE SHELL HOLDER LYMAN, designed to enhance your shotgun's capacity and accessibility. This guide provides essential safety instructions and guidelines for the proper use, installation, and disposal of your shell holder, ensuring compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the shell holder is compatible with your shotgun model before installation.
- Always handle firearms and accessories with care and respect.
- Keep the shell holder and its contents out of reach of children and unauthorized users.
- Regularly inspect the shell holder for signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only 12 gauge shotgun shells in the shell holder to prevent malfunctions.
- Do not overload the shell holder beyond its 6 round capacity.
- Ensure that the mounting plate is securely attached to the shotgun receiver to prevent accidental dislodgment.
- Avoid using the shell holder in wet or damp conditions to prevent slipping or damage.
- Be aware of your surroundings and ensure that the firearm is pointed in a safe direction at all times when loading or unloading shells.

Instructions for Installation and Usage

Installation Instructions

1. **Gather Tools:** Ensure you have the necessary tools, including a screwdriver, to assist with the installation.
2. **Prepare the Shotgun:** Ensure the shotgun is unloaded and the action is open before beginning installation.
3. **Locate Mounting Points:** Identify the existing pin/screw holes on the side of the receiver where the shell holder will be mounted.
4. **Attach the Mounting Plate:**
 - Align the aluminum mounting plate with the pin/screw holes.
 - Use the provided screws and pins to securely attach the mounting plate to the receiver.
5. **Install the Shell Holder:**
 - Slide the shell holder onto the mounted plate, ensuring it fits snugly.
 - Confirm that the holder is secure and does not move when pulled gently.
6. **Final Check:** Inspect the installation to ensure there are no loose components or misalignments.

Usage Instructions

- Load the shell holder with up to 6 rounds of 12 gauge shotgun shells.
- To remove shells, grasp the holder firmly and pull the shells out one at a time.
- Always check that the shotgun is in a safe condition before accessing the shell holder.

Disposal Instructions

- Dispose of the shell holder in accordance with local regulations for plastic and metal products.
- If the shell holder is damaged or no longer in use, ensure it is securely stored until proper disposal can be arranged.
- Avoid discarding the shell holder in regular household waste.
