

# SIDE SADDLE SHELL HOLDER - LYMAN FITS MOSSBERG 500, 4 RNDS, 12 GA

[Shooting Accessories](#) > [Speedloaders & Accessories](#) > [Shotgun Shell Holders](#)

## Mounts To Receiver; Holds Extra Rounds For Quick Reloads

Lightweight, molded-nylon shell carrier puts additional fire power quickly within your reach. Aluminum mounting plate attaches to the side of the receiver using the existing pin/screw holes—no permanent alterations or gunsmithing required. Four- and six-round models available for a variety of popular law enforcement shotguns. Rem. 870/1100/11-87 ESN has a convenient window in the mounting plate that leaves the weapon's serial number exposed for viewing with the shell holder installed. Designed for armorers and law enforcement agencies who track their firearms by serial number for inventory, maintenance, and record keeping.

# SIDE SADDLE SHELL HOLDER LYMAN USER MANUAL

## Introduction

Thank you for choosing the SIDE SADDLE SHELL HOLDER by LYMAN. This product is designed to enhance your shooting experience by providing quick access to additional ammunition. Please read this manual carefully to ensure safe and proper use of the shell holder.

## General Safety Guidelines

- Always handle firearms with care and respect. Treat every firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction when installing or removing the shell holder.
- Keep the shell holder and all ammunition out of reach of children and unauthorized users.
- Regularly inspect the shell holder for wear or damage before use. Do not use if damaged.
- Follow all local laws and regulations regarding firearm accessories and ammunition.
- In case of any malfunction or safety concern, cease use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- Ensure that the shell holder is compatible with your firearm model (Mossberg 500) before installation.
- Verify that the firearm is unloaded before attaching or detaching the shell holder.
- Do not exceed the specified capacity of the shell holder (4 rounds).
- Do not modify the shell holder or mounting plate in any way that could compromise safety.
- Be aware of your surroundings and ensure that the area is clear of people and obstacles when using your firearm.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Gather Required Tools

- You will need a screwdriver and the included mounting screws and pins.

#### 2. Prepare the Firearm

- Ensure that the Mossberg 500 is unloaded and pointed in a safe direction.

#### 3. Locate Mounting Points

- Identify the existing pin/screw holes on the side of the receiver where the shell holder will be attached.

#### 4. Attach the Mounting Plate

- Align the aluminum mounting plate with the identified holes.
- Secure the mounting plate using the provided screws and pins. Ensure it is tightly fastened.

#### 5. Install the Shell Holder

- Once the mounting plate is securely attached, slide the molded nylon shell holder onto the plate until it is firmly in place.

## 6. Final Check

- Confirm that the shell holder is securely attached and that there are no obstructions to the firearm's operation.

## Usage Instructions

- Load the shell holder with up to 4 rounds of 12gauge ammunition.
- When ready to use, simply reach for the shells stored in the holder for quick access.
- After use, ensure that all ammunition is safely stored and that the firearm is secured.

## Disposal Instructions

- Dispose of the shell holder in accordance with local regulations regarding plastic and metal waste.
- Do not dispose of the shell holder in regular household waste. Check for local recycling programs that accept nylon and aluminum materials.

## Contact Information for Further Support

For any inquiries or concerns regarding the SIDE SADDLE SHELL HOLDER, please refer to the manufacturer's contact details provided in the product packaging. Ensure that you have the product information ready when reaching out for support.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the SIDE SADDLE SHELL HOLDER by LYMAN.
