

# **SIDE SADDLE SHELL HOLDER - LYMAN FITS REMINGTON 870/1100/1187, 4 RNDS, 12 GA**

[Shooting Accessories](#) > [Speedloaders & Accessories](#) > [Shotgun Shell Holders](#)

## **Mounts To Receiver; Holds Extra Rounds For Quick Reloads**

Lightweight, molded-nylon shell carrier puts additional fire power quickly within your reach. Aluminum mounting plate attaches to the side of the receiver using the existing pin/screw holes—no permanent alterations or gunsmithing required. Four- and six-round models available for a variety of popular law enforcement shotguns. Rem. 870/1100/11-87 ESN has a convenient window in the mounting plate that leaves the weapon's serial number exposed for viewing with the shell holder installed. Designed for armorers and law enforcement agencies who track their firearms by serial number for inventory, maintenance, and record keeping.

# Safety Instruction Guide for SIDE SADDLE SHELL HOLDER LYMAN

## Introduction

Thank you for choosing the SIDE SADDLE SHELL HOLDER LYMAN, designed for use with Remington 870, 1100, and 1187 shotguns. This guide provides essential safety instructions, installation guidelines, and information to ensure the safe use of your product. Please read this document carefully before use.

## General Safety Guidelines

- Ensure that the shell holder is compatible with your firearm model before installation.
- Always handle firearms with care and follow all safety protocols.
- Store the shell holder in a dry, cool place away from direct sunlight.
- Regularly inspect the shell holder for any signs of wear or damage.
- Keep the shell holder out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attaching or removing the shell holder.
- Do not modify the shell holder in any way that could compromise its integrity or safety.
- Use only the recommended mounting screws and pins provided in the package.
- Ensure that the mounting plate is securely attached to the receiver before use.
- Avoid overloading the shell holder beyond its specified capacity of 4 rounds.
- Do not use the shell holder if it shows any signs of damage or wear.
- Follow all local laws and regulations regarding the use of firearm accessories.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools for installation, including a screwdriver.

### 2. Installation

- Locate the existing pin/screw holes on the side of the receiver.
- Align the aluminum mounting plate of the shell holder with the holes.
- Secure the mounting plate using the provided screws and pins.
- Ensure the mounting plate is firmly attached and does not wobble.

### 3. Loading Shells

- Load up to 4 rounds of 12 gauge shells into the shell holder.
- Ensure the shells are seated properly and securely in the holder.

### 4. Usage

- When ready to use, ensure the firearm is in a safe condition.
- Access the shells quickly from the shell holder as needed.
- After use, store the firearm and shell holder safely.

## **Disposal Instructions**

- Dispose of the shell holder responsibly, following local regulations for plastic and metal waste.
- If the shell holder is damaged or no longer usable, do not attempt to repair it; dispose of it properly.

## **Contact Information for Further Support**

For any inquiries or support regarding the SIDE SADDLE SHELL HOLDER LYMAN, please refer to the manufacturer's contact information included in the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety is our priority.
