# Safety Instruction Guide for FIXED SCOPE RINGS TALLEY 1" LOW SATIN BLUE RINGS

## Introduction

Thank you for choosing the FIXED SCOPE RINGS TALLEY 1" LOW SATIN BLUE RINGS. This guide provides important safety information and instructions for the proper use and installation of your scope rings. Please read this guide carefully to ensure safe operation and compliance with applicable safety regulations.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Inspect the scope rings for any damage before use. Do not use damaged products.
- Follow all instructions provided in this guide for installation and usage.
- Keep the product out of reach of children to prevent accidents.
- Report any unsafe conditions or accidents involving this product to the appropriate authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Use only Talley bases for mounting the scope rings.
- Ensure that the scope tube diameter matches the specifications of the rings (1" for this model).
- Do not exceed the recommended ring height of .300 inches (7.62mm) to maintain stability.
- Use the provided lowprofile, buttonhead Torx® screws for mounting. Ensure they are tightened securely but do not overtighten, as this may damage the screws or rings.
- Be cautious when handling tools during installation to avoid personal injury.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including a Torx® screwdriver.
- Ensure that the scope and rifle are clean and free from debris.

### 2. Installation Steps

- Place the Talley base on the desired mounting location on the rifle.
- Align the fixed scope rings over the scope tube, ensuring that the rings are oriented correctly.
- Insert the buttonhead Torx® screws through the rings into the Talley base.
- Tighten the screws gradually, alternating between screws to ensure even pressure.
- Confirm that the scope is level and secure before use.

### 3. Usage Guidelines

- Regularly check the tightness of the screws and the integrity of the scope rings, especially after heavy use.
- Avoid exposing the scope rings to extreme temperatures or harsh environmental conditions that may compromise their integrity.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the product is no longer in use, consider recycling it where facilities exist.

- Do not dispose of the product in general waste if it contains materials that may be harmful to the environment.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the designated contact point provided with your product. Ensure you have the product details available for efficient assistance.

By following these guidelines, you can ensure the safe use and longevity of your FIXED SCOPE RINGS TALLEY 1" LOW SATIN BLUE RINGS. Thank you for your commitment to safety.
