Safety Instruction Guide for FIXED SCOPE RINGS TALLEY 1" MEDIUM SATIN BLUE RINGS

Introduction

Thank you for choosing the FIXED SCOPE RINGS TALLEY 1" MEDIUM SATIN BLUE RINGS. This guide provides essential safety information and instructions for the safe use and installation of your scope rings. Please read this guide carefully before use to ensure your safety and the proper functioning of the product.

General Safety Guidelines

- **Product Safety:** Ensure that the scope rings are used in accordance with the manufacturer's instructions to avoid any potential hazards.
- **Enhanced Recalls:** Stay informed about product recalls by checking the EU's Safety Gate platform regularly.
- **Online Shopping:** When purchasing online, ensure that the retailer complies with safety standards equivalent to those of physical stores.
- **Special Consumer Focus:** Extra caution should be taken when children are present. Keep all tools and small parts out of reach.
- **EU Contact Point:** For any safety inquiries, contact the designated EU-based support as indicated by the retailer.
- **Rapid Alerts:** Be aware of any safety alerts regarding this product through the Safety Gate system.

Specific Safety Precautions for Use

- **Inspect Before Use:** Always inspect the scope rings for any signs of damage or wear before installation.
- **Proper Fit:** Ensure that the scope rings fit your specific scope tube diameter (1 inch) and are compatible with Talley bases only.
- **Avoid Force:** Do not use excessive force when tightening screws, as this may damage the scope rings or the scope itself.
- **Use Appropriate Tools:** Use the provided buttonhead Torx® screws and the correct tool to avoid slippage and potential injury.
- **Keep Away from Children:** Ensure that children do not have access to the scope rings or any tools used for installation.

Instructions for Installation and Usage

1. **Gather Tools:** Ensure you have the appropriate tools ready, including a Torx® driver compatible with the buttonhead screws.
2. **Prepare the Mounting Surface:** Clean the area where the scope rings will be mounted to ensure a secure fit.
3. **Position the Scope Rings:** Place the scope rings on the Talley base, ensuring they are aligned correctly for your scope.
4. **Insert Screws:** Carefully insert the buttonhead Torx® screws into the designated holes of the scope rings.
5. **Tighten Screws:** Using the Torx® driver, gently tighten the screws. Ensure they are snug but do not overtighten.
6. **Attach the Scope:** Place your scope into the mounted rings and adjust as necessary for your sighting preferences.
7. **Final Check:** Doublecheck that all screws are secure and that the scope is properly aligned before use.

Disposal Instructions

- **Dispose of Responsibly:** When the scope rings are no longer needed, dispose of them in accordance with local regulations for metal and plastic waste.
- **Recycling:** Consider recycling the materials if possible. Check with local recycling facilities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the FIXED SCOPE RINGS TALLEY 1" MEDIUM SATIN BLUE RINGS, please reach out to your retailer or the designated EU contact point for assistance.
