

LIGHT WEIGHT SCOPE MOUNT - BROWNING A-BOLT 1" LOW SCOPE MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

When Every Ounce Counts; The Strength Of Steel Without The Weight

One-piece construction blends the ring and base into a single unit. Eliminating the ring/base joint not only keeps weight to a minimum, it provides a stronger mount. Each ring cap is 5/8" wide, with four, TORX screws, to keep large scopes from slipping or shifting. Designed by Mel Forbes of New Ultralight Arms.

Attributes

- Name: [BROWNING A-BOLT 1" LOW SCOPE MOUNT](#)

LIGHT WEIGHT SCOPE MOUNT BROWNING ABOLT 1" LOW SCOPE MOUNT Safety Instruction Guide

Introduction

Thank you for choosing the LIGHT WEIGHT SCOPE MOUNT BROWNING ABOLT 1" LOW SCOPE MOUNT. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your scope mount. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the scope mount is compatible with your firearm and scope specifications.
- Regularly inspect the scope mount for any signs of wear or damage before each use.
- Always follow the manufacturer's instructions for installation and usage.
- Store the scope mount in a safe and dry place when not in use.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Weight Limit:** Do not exceed the recommended weight limit for scopes as specified by the manufacturer.
- **Installation:** Ensure that the mount is securely installed to prevent any shifting or movement during use.
- **Screws:** Use the provided TORX screws and ensure they are tightened to the specified torque settings.
- **Compatibility:** Verify compatibility with your Browning ABolt model and ensure it fits securely.
- **Environmental Conditions:** Avoid exposing the scope mount to extreme temperatures or moisture, which may affect its integrity.
- **User Awareness:** Be aware of your surroundings when using the firearm equipped with the scope mount.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a TORX screwdriver.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Installation:

- Align the scope mount with the receiver of the Browning ABolt.
- Insert the TORX screws through the ring caps into the base of the mount.
- Tighten the screws in a crisscross pattern to ensure even pressure, using a torque wrench if available.
- Check that the mount is securely attached to the firearm.

3. Scope Attachment:

- Once the mount is installed, position your scope in the rings.
- Adjust the scope to your desired position and ensure it is level.
- Tighten the ring caps with the TORX screws to secure the scope in place.

4. Final Checks:

- Inspect the installation to ensure everything is secure.
- Perform a test by gently shaking the firearm to check for any movement of the scope or mount.
- If any movement is detected, recheck the tightness of the screws.

Disposal Instructions

- Dispose of the product in accordance with local regulations for metal and electronic waste.
- If the product is damaged and cannot be reused, ensure that it is disposed of safely to prevent any environmental harm.

Contact Information for Further Support

For any inquiries or additional support regarding the LIGHT WEIGHT SCOPE MOUNT BROWNING ABOLT 1" LOW SCOPE MOUNT, please refer to the manufacturer's website or customer service resources.

By following these guidelines, you can ensure the safe and effective use of your LIGHT WEIGHT SCOPE MOUNT. Thank you for your attention to safety and responsible usage.
