

# LIGHT WEIGHT SCOPE MOUNT - MARLIN 336/1895 1" LOW SCOPE MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

## When Every Ounce Counts; The Strength Of Steel Without The Weight

One-piece construction blends the ring and base into a single unit. Eliminating the ring/base joint not only keeps weight to a minimum, it provides a stronger mount. Each ring cap is 5/8" wide, with four, TORX screws, to keep large scopes from slipping or shifting. Designed by Mel Forbes of New Ultralight Arms.

## Attributes

- Name: [MARLIN 336/1895 1" LOW SCOPE MOUNT](#)
- Manufacturer: [TALLEY](#)

# LIGHT WEIGHT SCOPE MOUNT MARLIN 336/1895

## 1" LOW SCOPE MOUNT Safety Instruction Guide

### Introduction

Thank you for choosing the LIGHT WEIGHT SCOPE MOUNT for your Marlin 336/1895 rifles. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this manual thoroughly before installation and use.

### General Safety Guidelines

- **Product Safety:** Ensure that the scope mount is used only for its intended purpose. Always follow the manufacturer's instructions.
- **Enhanced Recalls:** If you receive a recall notice regarding this product, please follow the instructions provided for returning or exchanging the item.
- **Online Shopping:** When purchasing online, ensure that the retailer meets safety requirements and provides necessary product information.
- **Special Consumer Focus:** Keep this product out of reach of children. It is not intended for use by individuals under the age of 18 without adult supervision.
- **EU Contact Point:** For any safety inquiries regarding this product, please refer to the contact information provided by the retailer.
- **Rapid Alerts:** Stay informed about product safety updates by checking the EU's Safety Gate platform for any alerts related to this product.

### Specific Safety Precautions for Use

- **Installation Safety:**
  - Ensure the firearm is unloaded before installing the scope mount.
  - Use appropriate tools and follow installation instructions carefully to avoid damage to the rifle or scope mount.
- **Usage Safety:**
  - Regularly check the tightness of the screws to prevent the scope from shifting or coming loose during use.
  - Avoid exceeding the recommended scope diameter of 1 inch unless specified otherwise.
- **Handling Safety:**
  - Always handle the rifle with care, treating it as if it is loaded.
  - Use protective eyewear when shooting, especially when testing the mounted scope.

### Instructions for Installation and Usage

#### 1. Installation:

- Gather necessary tools: a TORX screwdriver and a clean workspace.
- Ensure the rifle is unloaded and safe to handle.
- Align the base of the scope mount with the mounting points on the rifle receiver.
- Secure the mount using the provided TORX screws. Tighten until snug, but do not overtighten to prevent damage.

- Attach your scope to the mount, ensuring it is level and properly aligned.
- Tighten the ring caps securely using the TORX screws.

## **2. Usage:**

- After installation, check the stability of the scope mount before each use.
- Adjust the scope settings as needed for your shooting conditions.
- Always follow safe shooting practices and comply with local laws and regulations regarding firearm use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- If the product is damaged or no longer needed, consider recycling where possible.
- Do not dispose of the product in household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the installation, usage, or safety of the LIGHT WEIGHT SCOPE MOUNT, please consult the retailer from whom you purchased the product for assistance. They can provide additional information and support as needed.

Thank you for your attention to these safety guidelines. Your safety is our priority. Enjoy your shooting experience with the LIGHT WEIGHT SCOPE MOUNT!
