

LIGHT WEIGHT SCOPE MOUNT - MARLIN 336/1895 1" MEDIUM SCOPE MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

When Every Ounce Counts; The Strength Of Steel Without The Weight

One-piece construction blends the ring and base into a single unit. Eliminating the ring/base joint not only keeps weight to a minimum, it provides a stronger mount. Each ring cap is 5/8" wide, with four, TORX screws, to keep large scopes from slipping or shifting. Designed by Mel Forbes of New Ultralight Arms.

Attributes

- Name: [MARLIN 336/1895 1" MEDIUM SCOPE MOUNT](#)
- Manufacturer: [TALLEY](#)

LIGHT WEIGHT SCOPE MOUNT MARLIN 336/1895

1" MEDIUM SCOPE MOUNT Safety Instruction Guide

Introduction

Thank you for choosing the LIGHT WEIGHT SCOPE MOUNT designed for Marlin 336/1895 rifles. This guide provides essential safety instructions, installation procedures, and disposal information to ensure safe and effective use of your scope mount. Please read through this document carefully before installation and use.

General Safety Guidelines

- **Product Safety:** Ensure that the scope mount is used only for its intended purpose. Avoid modifications that could compromise safety.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. Check for updates regularly.
- **Online Shopping:** If purchased online, ensure that the platform complies with safety standards similar to physical stores.
- **Special Consumer Focus:** Keep this product out of reach of children and vulnerable individuals. It is not a toy and should be handled with care.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point provided by your retailer.
- **Rapid Alerts:** Monitor the EU Safety Gate system for alerts regarding any unsafe products.

Specific Safety Precautions for Use

- **Installation Safety:**
 - Ensure the firearm is unloaded before installation.
 - Use appropriate tools and follow the installation instructions carefully.
- **Usage Safety:**
 - Regularly check the scope mount for any signs of wear or damage.
 - Do not exceed the weight limits specified for the scope mount.
 - Avoid overtightening the screws during installation to prevent damage.
- **Handling:**
 - Handle the scope mount with care to avoid dropping or damaging it.
 - Store the scope mount in a dry and secure location when not in use.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have the following tools: TORX screwdriver and a clean workspace.
- Verify that the scope mount is compatible with your rifle model (Marlin 336/1895).

2. Installation Steps:

- **Step 1:** Unload the rifle completely and ensure it is pointed in a safe direction.
- **Step 2:** Align the scope mount base with the mounting holes on the rifle's receiver.
- **Step 3:** Using the TORX screws provided, attach the base securely to the receiver. Do not overtighten.
- **Step 4:** Place the scope into the rings of the mount. Ensure it is level and properly positioned.
- **Step 5:** Securely tighten the ring caps using the TORX screws, ensuring the scope does not shift.
- **Step 6:** Perform a final check on all screws to ensure everything is secure.

3. Usage:

- After installation, check the alignment of the scope before use.
- Make adjustments as necessary to ensure proper sighting.

Disposal Instructions

- Dispose of the scope mount responsibly.
- If the product is damaged or no longer usable, follow local regulations for disposal of aluminum and other materials.
- Do not dispose of the product in general waste; consider recycling where possible.

Contact Information for Further Support

For any questions or concerns regarding the LIGHT WEIGHT SCOPE MOUNT, please refer to the contact information provided by your retailer or manufacturer. Ensure that you have the product details at hand for efficient assistance.

By following these safety instructions, you can ensure the safe and effective use of your LIGHT WEIGHT SCOPE MOUNT. Thank you for your attention to these important guidelines. Enjoy your shooting experience!
