

LIGHT WEIGHT SCOPE MOUNT - TIKKA T3 1" LOW SCOPE MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

When Every Ounce Counts; The Strength Of Steel Without The Weight

One-piece construction blends the ring and base into a single unit. Eliminating the ring/base joint not only keeps weight to a minimum, it provides a stronger mount. Each ring cap is 5/8" wide, with four, TORX screws, to keep large scopes from slipping or shifting. Designed by Mel Forbes of New Ultralight Arms.

Attributes

- Name: [TIKKA T3 1" LOW SCOPE MOUNT](#)
- Manufacturer: [TALLEY](#)
- Product no.: 874000055

LIGHT WEIGHT SCOPE MOUNT TIKKA T3 1" LOW SCOPE MOUNT Safety Instruction Guide

Introduction

Thank you for choosing the LIGHT WEIGHT SCOPE MOUNT TIKKA T3 1" LOW SCOPE MOUNT. This guide provides important safety information and instructions to ensure the safe use and installation of your scope mount. Please read this guide carefully before use to maximize safety and product performance.

General Safety Guidelines

- Ensure the scope mount is compatible with your firearm model (Tikka T3, T3x, T1X).
- Always handle firearms with care and in accordance with the manufacturer's safety instructions.
- Keep the scope mount and firearm out of reach of children and unauthorized users.
- Regularly inspect the scope mount for signs of wear or damage before each use.
- Use the scope mount only for its intended purpose as described in this guide.

Specific Safety Precautions for Use

- Do not exceed the manufacturer's recommended weight limits for scopes.
- Ensure all screws are tightened securely before use to prevent slippage or shifting of the scope.
- Avoid using the scope mount in extreme weather conditions that could compromise its integrity.
- If you notice any unusual movement or instability while using the scope, discontinue use immediately and inspect the mount.
- Do not modify the scope mount in any way, as this may compromise its safety and functionality.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a TORX screwdriver.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Installation Steps

- Align the scope mount with the receiver of your firearm.
- Place the lower part of the mount onto the receiver.
- Position the scope into the rings of the mount.
- Securely attach the ring caps using the four TORX screws provided.
- Tighten the screws evenly to ensure a secure fit. Do not overtighten as this may damage the mount or the scope.

3. Usage Guidelines

- After installation, check that the scope is properly aligned and securely mounted.
- Regularly check the mount's screws for tightness, especially after the first few uses.
- Always follow safe firearm handling practices when using your firearm with the mounted scope.

Disposal Instructions

- Dispose of the scope mount in accordance with local regulations for metal and electronic waste.
- Do not dispose of the scope mount in regular household trash.
- If you are unsure about how to properly dispose of the scope mount, contact your local waste

management authority for guidance.

Contact Information for Further Support

For any questions or concerns regarding the LIGHT WEIGHT SCOPE MOUNT TIKKA T3 1" LOW SCOPE MOUNT, please refer to the manufacturer's website or customer service for assistance.

Thank you for your attention to these safety guidelines. Your safety is our priority. Enjoy your shooting experience with the LIGHT WEIGHT SCOPE MOUNT TIKKA T3 1" LOW SCOPE MOUNT!
