

# **LIGHT WEIGHT SCOPE MOUNT - TIKKA T3 1" MEDIUM SCOPE MOUNT**

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

## **When Every Ounce Counts; The Strength Of Steel Without The Weight**

One-piece construction blends the ring and base into a single unit. Eliminating the ring/base joint not only keeps weight to a minimum, it provides a stronger mount. Each ring cap is 5/8" wide, with four, TORX screws, to keep large scopes from slipping or shifting. Designed by Mel Forbes of New Ultralight Arms.

## **Attributes**

- Name: [TIKKA T3 1" MEDIUM SCOPE MOUNT](#)

# LIGHT WEIGHT SCOPE MOUNT TIKKA T3 1" MEDIUM SCOPE MOUNT Safety Instructions

## Introduction

Thank you for choosing the LIGHT WEIGHT SCOPE MOUNT TIKKA T3 1" MEDIUM SCOPE MOUNT. This product is designed to provide a secure and reliable mounting solution for your scopes. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the scope mount is compatible with your firearm and scope specifications.
- Inspect the product for any signs of damage or defects before installation and usage.
- Always follow your firearm's safety guidelines and handling procedures.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Compatibility Check:** Verify that the mount fits your specific firearm model (e.g., Tikka T3, T3x, etc.) and scope diameter (1").
- **Weight Limit:** Do not exceed the recommended weight limit for scopes as specified in the product specifications.
- **Installation Safety:** Ensure the firearm is unloaded before installing the scope mount.
- **Screw Tightening:** Use the provided TORX screws to secure the ring caps. Ensure they are tightened evenly to avoid misalignment.
- **Regular Inspections:** Periodically check the mount for tightness and signs of wear, especially after significant use or exposure to adverse conditions.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a TORX screwdriver.
- Ensure that the firearm is unloaded and pointed in a safe direction.

### 2. Mounting the Scope:

- Align the base of the scope mount with the receiver of the firearm.
- Place the scope into the rings of the mount, ensuring it is level and properly positioned.

### 3. Securing the Mount:

- Use the TORX screws to secure the ring caps onto the mount.
- Tighten the screws in a crisscross pattern to ensure even pressure and alignment.
- Refer to the product specifications for the appropriate torque settings if available.

### 4. Final Checks:

- After installation, doublecheck that the scope is secure and properly aligned.
- Perform a function check on the firearm to ensure everything is operating correctly.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling or disposal facility.

## **Contact Information for Further Support**

For any questions regarding the safety and usage of the LIGHT WEIGHT SCOPE MOUNT TIKKA T3 1" MEDIUM SCOPE MOUNT, please refer to the manufacturer's website or contact their customer support for assistance.

By adhering to these safety instructions, you can ensure a safe and effective experience with your LIGHT WEIGHT SCOPE MOUNT. Thank you for your attention to safety!
