

# **LIGHT WEIGHT SCOPE MOUNT - SAVAGE ACCUTRIGGER ROUND BACK 1" LOW SCOPE MOUNT**

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

## **When Every Ounce Counts; The Strength Of Steel Without The Weight**

One-piece construction blends the ring and base into a single unit. Eliminating the ring/base joint not only keeps weight to a minimum, it provides a stronger mount. Each ring cap is 5/8" wide, with four, TORX screws, to keep large scopes from slipping or shifting. Designed by Mel Forbes of New Ultralight Arms.

## **Attributes**

# **LIGHT WEIGHT SCOPE MOUNT SAVAGE ACCUTRIGGER ROUND BACK 1" LOW SCOPE MOUNT Safety Instructions**

## **Introduction**

Thank you for choosing the LIGHT WEIGHT SCOPE MOUNT SAVAGE ACCUTRIGGER ROUND BACK 1" LOW SCOPE MOUNT. This guide provides essential safety information and instructions to ensure the safe and effective use of your scope mount. Please read this guide carefully before installation and use.

## **General Safety Guidelines**

- Ensure the scope mount is compatible with your specific firearm model (Savage Arms models 10, 110, A17, A22).
- Inspect the scope mount for any signs of damage or defects before use.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the scope mount out of reach of children and vulnerable individuals.
- Use the scope mount only for its intended purpose.
- Report any unsafe products or incidents to the relevant authorities.

## **Specific Safety Precautions for Use**

- Ensure that the scope mount is securely attached to the firearm to prevent accidents during use.
- Do not exceed the recommended weight limits for scopes as specified in the product specifications.
- Avoid using the scope mount in extreme environmental conditions that may compromise its integrity.
- Regularly check the tightness of the TORX screws to ensure stability and safety during use.
- If you notice any shifting or slipping of the scope, stop using the mount immediately and check the installation.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Remove any existing scope mount from your firearm if applicable.
- Position the LIGHT WEIGHT SCOPE MOUNT on the receiver of your firearm, aligning it with the mounting holes.
- Secure the mount using the provided TORX screws. Tighten them evenly to ensure proper fit.
- Confirm that the mount is stable and does not move when pressure is applied.

### **2. Usage:**

- After installation, attach your scope to the mount according to the scope manufacturer's instructions.
- Check the alignment of the scope and make necessary adjustments.
- Before using the firearm, conduct a final check to ensure that everything is securely attached and functioning correctly.

## **Disposal Instructions**

- Dispose of the scope mount in accordance with local regulations.
- Do not dispose of the mount in regular household waste. Check for recycling programs that accept

aluminum materials.

- Ensure that any packaging materials are disposed of responsibly.

## Contact Information for Further Support

For any questions or concerns regarding the LIGHT WEIGHT SCOPE MOUNT SAVAGE ACCUTRIGGER ROUND BACK 1" LOW SCOPE MOUNT, please refer to the manufacturer's website or contact their customer service for assistance.

Thank you for prioritizing safety while using your scope mount. Your attention to these guidelines helps ensure a safer experience for everyone.
