

LIGHT WEIGHT SCOPE MOUNT - BERGARA PREMIER 30MM HIGH EXT FRNT 20MOA 8-40 SCREWS MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

When Every Ounce Counts; The Strength Of Steel Without The Weight

One-piece construction blends the ring and base into a single unit. Eliminating the ring/base joint not only keeps weight to a minimum, it provides a stronger mount. Each ring cap is 5/8" wide, with four, TORX screws, to keep large scopes from slipping or shifting. Designed by Mel Forbes of New Ultralight Arms.

Attributes

- Name: [BERGARA PREMIER 30MM HIGH EXT FRNT 20MOA 8-40 SCREWS MOUNT](#)

LIGHT WEIGHT SCOPE MOUNT BERGARA PREMIER 30MM HIGH EXT FRNT 20MOA 840 SCREWS MOUNT Safety Instruction Guide

Introduction

Thank you for choosing the LIGHT WEIGHT SCOPE MOUNT BERGARA PREMIER. This guide provides essential safety instructions and information to ensure the safe use and installation of your scope mount. Please read this guide thoroughly before use.

General Safety Guidelines

- Ensure that the product is suitable for your specific firearm model. Check compatibility with Remington, Bergara, and other specified models.
- Inspect the scope mount for any signs of damage or defects before installation. Do not use if damaged.
- Always follow the manufacturer's instructions for installation and usage to avoid hazards.
- Store the product in a safe, dry place away from children and pets.
- Report any unsafe product experiences or accidents to local authorities and check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only compatible scopes with a diameter of 30mm, unless otherwise indicated.
- Ensure that all screws are tightened to the manufacturer's specifications to prevent the scope from slipping or shifting.
- Avoid excessive force when installing or adjusting the mount to prevent damage.
- Do not exceed the recommended weight limit for the mount to maintain safety and performance.
- If using the mount on a firearm with a trigger mechanism, ensure that it does not interfere with the operation of the trigger.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a TORX screwdriver.
- Ensure the firearm is unloaded and safe before beginning installation.

2. Installation Steps:

- Remove any existing scope mounts from the firearm.
- Align the LIGHT WEIGHT SCOPE MOUNT with the mounting holes on the receiver.
- Insert the provided TORX screws into the ring caps. Ensure that the screws are properly aligned.
- Tighten each screw gradually and evenly to avoid misalignment. Follow the recommended torque specifications.
- Check that the scope is secure and does not move when pressure is applied.

3. Usage:

- After installation, mount your scope according to the manufacturer's instructions.
- Regularly check the tightness of the screws and the overall condition of the mount during use.
- If any issues arise, such as movement or shifting of the scope, immediately stop using the firearm and inspect the mount.

Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of the product in household waste. Check for local recycling programs or hazardous waste disposal options.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact details provided with your purchase. Ensure you have the product's model information ready for reference.

By following these guidelines, you can ensure the safe and effective use of your LIGHT WEIGHT SCOPE MOUNT BERGARA PREMIER. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
