This product is designed to enhance your shooting experience by providing a secure and reliable mounting solution for your rifle scope. To ensure your safety and the proper functioning of the product, please read and follow these safety instructions carefully.

## **General Safety Guidelines**

- Always ensure that the firearm is unloaded before installing or adjusting the scope ring bases.
- Use the product only for its intended purpose as described in the manual.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the scope ring bases for signs of wear or damage. Do not use if any defects are found.
- Store the product in a cool, dry place when not in use.
- Be aware of your surroundings and ensure a safe shooting environment.

## **Specific Safety Precautions for Use**

- Use only Talley Fixed or QD rings with these bases to ensure compatibility and safety.
- Ensure that the mounting surface is clean and free of debris before installation.
- Do not exceed the manufacturer's specified torque settings when securing the rings to the bases.
- Avoid using the product in extreme weather conditions, which may affect its performance.
- If you experience any unusual behavior or instability in the scope after installation, cease use immediately and consult a professional.

## **Instructions for Installation and Usage**

### **1. Preparation**

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure your rifle is unloaded and pointed in a safe direction.

### **2. Installation Steps**

- Remove any existing scope mounts or bases from the rifle.
- Clean the mounting surface thoroughly.
- Align the Talley scope ring bases with the mounting holes on your rifle.
- Secure the bases using the provided screws, ensuring they are tightened to the manufacturer's recommended torque settings.
- Attach the Talley Fixed or QD rings to the bases according to the manufacturer's instructions.

### **3. Usage Guidelines**

- After installation, check the alignment of the scope and make any necessary adjustments.
- Regularly inspect the tightness of the rings and bases during use, especially after firing.
- If you need to remove or adjust the scope, ensure the firearm is unloaded and follow the same precautions as during installation.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the product has reached the end of its life or is damaged beyond repair, dispose of it as per local electronic waste disposal guidelines.
- Do not dispose of the product in regular household waste.
