

# RUGER® M77® MK II™ ADJUSTABLE TRIGGER KIT - TIMNEY MK II LEFT-HAND TRIGGER

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

## Drop-In Kit Greatly Improves Trigger Pull & Function

All stainless steel, drop-in kit does away with the non-adjustable, factory trigger and its heavy pull, for improved accuracy and more enjoyable shooting. Conveniently-placed set screws are adjustable for let-off, weight of pull (1.5 to 3lb.) and overtravel. Parts are fully-finished; heat treated for durability and ready-to-install; requires no alteration to the factory parts. Kit includes trigger, sear, reduced weight spring and instructions. Use factory spring to set heavier weight of pull.

# RUGER® M77® MK II™ Adjustable Trigger Kit

## Safety Instruction Guide

### Introduction

Thank you for choosing the RUGER® M77® MK II™ Adjustable Trigger Kit by TIMNEY. This guide provides essential safety information and instructions to ensure the safe and effective use of your new trigger kit. Please read this guide thoroughly before installation and usage.

### General Safety Guidelines

- Always treat firearms as if they are loaded.
- Ensure the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store firearms and ammunition securely and out of reach of children.
- Be aware of your surroundings and ensure a clear shooting area.
- Regularly inspect your firearm and its components for wear and damage.
- Follow all local laws and regulations regarding firearms and their modifications.

### Specific Safety Precautions for Use

- **Installation Safety:** Ensure the firearm is unloaded and the safety is engaged before beginning installation.
- **Weight of Pull Adjustment:** Adjust the weight of pull carefully to avoid unintentional discharge. Set the weight according to the manufacturer's specifications (1.5 to 3 lb).
- **Overtravel Adjustment:** Make sure to adjust the overtravel to prevent any accidental discharges after the trigger is released.
- **Use of Factory Spring:** If setting a heavier weight of pull, use the factory spring as instructed. Ensure that it is correctly installed.
- **Regular Maintenance:** Periodically check the trigger kit for any signs of wear or malfunction. If any issues are found, cease use immediately and consult a qualified gunsmith.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure you have the necessary tools for installation.
- Read through all instructions before starting the installation process.

#### 2. Installation Steps:

- Ensure the firearm is completely unloaded.
- Remove the factory trigger and sear from the firearm following the manufacturer's guidelines.
- Install the TIMNEY trigger and sear into the firearm, ensuring all parts fit securely.
- Adjust the set screws for letoff, weight of pull, and overtravel as per your preference.
- Reassemble the firearm according to the manufacturer's instructions.
- Test the trigger function in a safe environment before live firing.

#### 3. Usage:

- After installation, always test the trigger in a controlled environment.
- Familiarize yourself with the adjusted weight of pull and ensure it feels comfortable and safe.

## **Disposal Instructions**

- Dispose of any unused parts or packaging in accordance with local regulations.
- Ensure that all components are disposed of in a manner that prevents access by children or unauthorized individuals.

## **Contact Information for Further Support**

For any questions or concerns regarding the RUGER® M77® MK II™ Adjustable Trigger Kit, please refer to the manufacturer's website or contact your local dealer for assistance. It is essential to have access to expert support for any safety inquiries or issues that may arise.

## **Conclusion**

By following the guidelines and instructions outlined in this safety instruction guide, you can ensure the safe and effective use of your RUGER® M77® MK II™ Adjustable Trigger Kit. Your safety and the safety of those around you is paramount. Thank you for prioritizing safety while enjoying your shooting experience.
