REMINGTON 600 TRIGGER Safety Instructions

Introduction

Thank you for choosing the REMINGTON 600 TRIGGER with Safety. This guide provides essential safety instructions to ensure the safe use of your product. Please read this manual carefully before installation and use.

General Safety Guidelines

- **Product Safety:** Ensure that the trigger is used only on compatible Remington 600 rifles to minimize risks.
- **Enhanced Recalls:** Stay informed about any recall notices regarding this product. Check for updates regularly.
- **Online Shopping:** When purchasing online, ensure that you are buying from authorized dealers to guarantee product safety.
- **Special Consumer Focus:** Keep this product out of reach of children and vulnerable individuals.
- **EU Contact Point:** For safety inquiries, refer to the designated EU contact point associated with this product.
- **Rapid Alerts:** Monitor the EU Safety Gate platform for updates on any safety concerns related to this product.

Specific Safety Precautions for Use

- **Compatibility:** Only use this trigger with righthand Remington 600 rifles.
- **Weight of Pull:** Adjust the weight of pull between 1½ to 4 lbs to suit your shooting preferences while ensuring safety.
- **Lock Nuts:** Always secure the lock nuts after adjusting settings to prevent accidental changes during use.
- **Inspection:** Regularly inspect the trigger for wear and tear. Replace any damaged components immediately.
- **Safe Handling:** Always treat your firearm as if it is loaded. Keep the safety engaged until you are ready to shoot.
- **Environment:** Use the trigger in a safe and controlled environment, free from distractions and unauthorized individuals.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before beginning the installation process.
- Remove the old trigger assembly according to the manufacturer's instructions.
- Install the REMINGTON 600 TRIGGER by following these steps:
 - Align the trigger with the mounting holes.
 - Secure the trigger using the provided screws. Ensure they are tightened properly.
 - Adjust the weight of pull, creep, and overtravel as per your preference.
 - Secure the lock nuts to hold your settings in place.

2. Usage:

- To operate the trigger, ensure all safety precautions are followed.
- Engage the safety when not in use or when transporting the firearm.
- Test the trigger pull before use to ensure it meets your specifications.
- Always be aware of your surroundings and ensure a clear line of sight when using the firearm.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the trigger is no longer functional or safe to use, consult local regulations for proper disposal methods of firearm components.

Contact Information for Further Support

For any questions or concerns regarding the REMINGTON 600 TRIGGER, please refer to the contact information provided by your retailer or the manufacturer.

Thank you for prioritizing safety and compliance while using the REMINGTON 600 TRIGGER. Enjoy your shooting experience responsibly.
