# Weatherby Mark V Triggers Safety Instruction Guide

## Introduction

Thank you for choosing the Weatherby Mark V Triggers by Timney. This guide provides essential safety instructions to ensure the safe use and maintenance of your trigger. Please read this guide carefully before installation and use. Adhering to these guidelines will help you avoid potential hazards and ensure optimal performance.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Ensure that the firearm is pointed in a safe direction at all times.
- Be aware of your surroundings and ensure that no one is in the line of fire.
- Store your firearm and ammunition securely to prevent unauthorized access, especially from children.
- Regularly inspect your trigger and firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm use and ownership.

## Specific Safety Precautions for Use

- Ensure that the Weatherby Mark V Trigger is compatible with your specific rifle model before installation.
- Do not modify the trigger or any of its components outside of the manufacturer's specifications.
- Always use the trigger in conjunction with a properly maintained and functioning firearm.
- Be aware that improper installation or adjustment can lead to accidental discharges.
- If you experience any malfunction or unusual behavior from your firearm, cease use immediately and consult a qualified gunsmith.
- Keep the trigger and firearm clean and free from obstructions to ensure reliable operation.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the action from the stock according to the manufacturer's instructions.
- Follow the specific installation instructions provided with the Weatherby Mark V Trigger.
- Adjust the trigger weight of pull, creep, and overtravel according to your preference, ensuring all lock nuts are securely tightened.

### 2. Usage:

- Before using the firearm, ensure that the trigger is functioning correctly by performing a safety check.
- Follow standard shooting practices and maintain focus while handling the firearm.
- Always wear appropriate eye and ear protection when shooting.
- After use, clean and maintain the trigger and firearm as per the manufacturer's guidelines.

## Disposal Instructions
