Safety Instruction Guide for Remington Model 7 Triggers with Safety

Introduction

Thank you for choosing the Remington Model 7 Trigger with Safety. This product is designed to enhance the safety and performance of your firearm. Please read this safety instruction guide carefully to ensure proper use and maintenance. Adhering to these guidelines will help you avoid potential hazards and enjoy a safe shooting experience.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure the safety is engaged when the firearm is not in use.
- Store firearms and ammunition separately and securely.
- Always use appropriate eye and ear protection when shooting.
- Regularly inspect your firearm and trigger for signs of wear or damage.
- Follow all local laws and regulations regarding firearm usage and storage.

Specific Safety Precautions for Use

- Ensure that the trigger is compatible with your specific firearm model.
- Do not modify the trigger or its components in any way.
- Always use the trigger in accordance with the manufacturer's instructions.
- Keep fingers off the trigger until ready to shoot.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not use the trigger if it shows any signs of malfunction or damage.
- If you are unsure about the installation or operation, seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure the firearm is unloaded and the safety is engaged.
2. **Remove the Old Trigger:** Follow the firearm's manual to safely remove the existing trigger.
3. **Install the New Trigger:**
 - Align the new Remington Model 7 Trigger with the trigger housing.
 - Secure it in place according to the firearm's manual.
4. **Adjustments:**
 - Adjust the sear engagement, overtravel, and pull weight as needed.
 - Ensure all adjustments are made in accordance with the manufacturer's specifications.
5. **Final Check:** Inspect the installation to ensure everything is secure and functioning properly.

Usage

- Before using the firearm, perform a function check to ensure the trigger operates correctly.
- Adjust the pull weight between 1.54lbs as per your preference and comfort.
- Always engage the safety when not actively shooting.

Disposal Instructions

- Dispose of any defective or damaged triggers in accordance with local regulations.

- Do not throw triggers in regular trash; instead, contact local authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please refer to the manufacturer's contact details provided with your product.

Conclusion

By following these safety instructions, you can ensure the safe operation of your Remington Model 7 Trigger with Safety. Always prioritize safety and seek assistance if you are uncertain about any procedures. Thank you for prioritizing safety and responsible firearm ownership.
