

# RUGER® AMERICAN TRIGGERS - TIMNEY RUGER® AMERICAN CENTERFIRE TRIGGER

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Self-contained, 100% drop-in trigger is ready to install in your Ruger American Rifle® for an exceptionally smooth, crisp, trigger pull. Pull weight is factory set at crisp three pounds and you can set it yourself to any pull weight you'd like from 1.5 to 4 pounds. Lightweight 6061 T6 aluminum housing is anodized for extra durability. The trigger is CNC machined on the most cutting edge robotic machines available. The sear is EDM cut and Teflon-nickel coated for maximum lubricity. The whole unit has been designed for easy installation and manufactured using Timney's stringent specifications for a lifetime of trouble free service.

# Ruger American Triggers Safety Instruction Guide

## Introduction

Thank you for purchasing the Ruger® American Triggers by Timney. This guide provides essential safety information, installation instructions, and guidelines for the proper use of your new trigger. Please read this manual carefully to ensure safe handling and operation.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure the safety is engaged when not in use.
- Store firearms and ammunition securely, out of reach of children and unauthorized users.
- Regularly inspect your trigger and firearm for wear or damage.
- Do not modify the trigger or firearm in any way that could compromise safety.
- Always follow the manufacturer's instructions for installation and usage.
- Be aware of your surroundings and ensure a safe environment when handling firearms.

## Specific Safety Precautions for Use

- Ensure the trigger is compatible with your Ruger American Rifle® model.
- Do not exceed the recommended pull weight settings.
- Use only factoryapproved parts and accessories with your trigger.
- Avoid using the trigger in adverse conditions (e.g., wet, muddy, or sandy environments) without proper cleaning and maintenance.
- If you experience any malfunction, do not attempt to repair it yourself. Contact a qualified gunsmith or the manufacturer.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Clear the area of any distractions and ensure a safe working environment.

### 2. Installation:

- Remove the action from the stock of your Ruger American Rifle®.
- Follow these steps to install the Timney Ruger® American Centerfire Trigger:
  - Locate the trigger group in the receiver.
  - Carefully remove the existing trigger assembly according to the manufacturer's instructions.
  - Insert the new Timney trigger into the trigger housing.
  - Ensure all pins and components are properly aligned and secured.
  - Reassemble the action into the stock, ensuring all screws are tightened to manufacturer specifications.

### 3. Adjustment:

- The pull weight is factory set at three pounds. To adjust:
  - Use the provided adjustment tool to modify the pull weight to your desired setting between 1.5 to 4 pounds.
  - Test the trigger pull after adjustments to ensure it meets your preference.

#### **4. Usage:**

- Before firing, conduct a function check to ensure the trigger operates correctly.
- Always wear appropriate hearing and eye protection when using firearms.
- Regularly clean and maintain your trigger and firearm to ensure optimal performance.

## **Disposal Instructions**

- Dispose of the trigger and any associated components in accordance with local regulations.
- Do not dispose of the product in household waste. Contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or performance, please reach out to the manufacturer's customer service or refer to the official website for additional resources. Always ensure you have a reliable point of contact for your safety concerns.

By following these guidelines, you can ensure a safe and enjoyable experience with your Ruger American Triggers. Always prioritize safety and responsible handling practices.
