

# 10/22® DROP-IN TRIGGER ASSEMBLY - TIMNEY 10/22® SILVER RUGER TRIGGER GUARD

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

The Timney 10/22® trigger will undoubtedly set the standard for the future of aftermarket trigger upgrades for the Ruger® 10-22®. Featuring a one piece action of CNC machined 6061-T6 aircraft grade billet aluminum the Timney trigger for the Ruger® 10-22® is a complete action replacement. The trigger, sear, and hammer are wire EDM cut and heat treated steel for exceptional durability. Push out the two action pins and "drop in" the Timney complete trigger assembly. The Timney 10-22® trigger features a Timney designed extended magazine release that can be operated by one finger for exceptional ease and accessibility. It also comes standard with an auto bolt release. As with all the Timney triggers made in the U.S.A. each complete action replacement is hand assembled, calibrated and tested for a lifetime of reliable service. The trigger is set at 2 pounds from the factory, with no creep.

## Attributes

- Name: [TIMNEY 10/22® SILVER RUGER TRIGGER GUARD](#)
- Manufacturer: [TIMNEY](#)
- Product no.: 883000060
- Mfr. No.: 1022-1C-16

# Timney 10/22® DropIn Trigger Assembly Safety Instructions

## Introduction

Thank you for purchasing the Timney 10/22® DropIn Trigger Assembly. This guide provides important safety information and instructions to ensure the safe use and installation of your new trigger assembly. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the product is used only as intended.
- Always follow firearm safety rules when handling firearms and accessories.
- Keep the trigger assembly out of reach of children and unauthorized users.
- Inspect the trigger assembly for any damage before installation or use.
- Do not attempt to modify the trigger assembly in any way.
- If you experience any issues with the product, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or handling the trigger assembly.
- Wear safety glasses when working on or around firearms to protect your eyes from debris.
- Be aware of your surroundings and ensure that you are in a safe environment when handling firearms.
- Do not use the trigger assembly if it appears damaged or malfunctioning.
- Ensure that the trigger assembly is compatible with your Ruger® 10/22® before installation.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure you have the necessary tools: a punch tool for pin removal and a flat surface to work on.
- Make sure the firearm is completely unloaded and pointed in a safe direction.

### 2. Removal of Old Trigger Assembly

- Push out the two action pins located on the receiver of your Ruger® 10/22®.
- Carefully remove the old trigger assembly from the receiver.

### 3. Installation of Timney Trigger Assembly

- Take the Timney 10/22® trigger assembly and align it with the receiver.
- "Drop in" the trigger assembly into the receiver.
- Push the action pins back into place to secure the trigger assembly.

### 4. Testing the Trigger

- Before using the firearm, conduct a function test to ensure the trigger operates correctly.
- Ensure the trigger pull is at the factory setting of 2 pounds and check for any creep.

### 5. Using the Extended Magazine Release

- Familiarize yourself with the Timney designed extended magazine release.
- Practice operating the magazine release with one finger for ease of use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the trigger assembly in regular household waste.
- Check with local waste management agencies for proper disposal methods.

## **Contact Information for Further Support**

For safety inquiries or product support, please reach out to your local authorized dealer or consult the manufacturer's website for guidance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Timney 10/22® DropIn Trigger Assembly. Thank you for your attention to safety.
