

308 AR DROP-IN TRIGGER MODULE SKELETON SHOE - TIMNEY 308 AR SMALL PIN 4LB SKELETON TRIGGER

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Self-contained module is ready to install in your small-pin AR and deliver an exceptionally smooth, crisp, creep-free single-stage trigger pull that feels more like a traditional bolt action than a combat rifle trigger. 100% drop-in—no gunsmithing, fitting, or adjusting required. All components are captive in the lightweight, aluminum alloy housing. Hammer is wire-EDM machined from S7 tool steel that combines hardness to resist wear with superior impact resistance to withstand heavy use without chipping or breaking. Other components are EDM cut from A2 tool steel, then heat treated to Rc 56-60 for long service life. Precision-ground engagement surfaces ensure superb reliability and a crisp, clean hammer release. Installs using your rifle's original hammer/trigger pins; proprietary design eliminates pin walkout. AR-.308 model has a factory-set 4 lb. pull weight, skeletonized shoe, and more hammer mass to ensure positive ignition of harder .308/7.62mm primers.

Attributes

- Name: [TIMNEY 308 AR SMALL PIN 4LB SKELETON TRIGGER](#)
- Manufacturer: [TIMNEY](#)
- Product no.: 883000063
- Mfr. No.: 671

Safety Instruction Guide for the 308 AR DropIn Trigger Module Skeleton Shoe

Introduction

Thank you for choosing the 308 AR DropIn Trigger Module Skeleton Shoe by Timney. This guide provides essential safety information, installation instructions, and usage guidelines to ensure the safe and effective use of your trigger module. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the trigger module for any signs of wear or damage.
- Do not use the trigger module if it appears to be defective or damaged.
- Always follow local laws and regulations regarding firearm modifications.

Specific Safety Precautions for Use

- Always treat your firearm as if it is loaded.
- Never point your firearm at anything you do not intend to shoot.
- Ensure that the firearm is pointed in a safe direction when installing or adjusting the trigger module.
- Wear appropriate eye and ear protection when handling firearms.
- Be aware of your surroundings and ensure that no one is in the line of fire.
- Use the trigger module only with compatible firearms. Confirm compatibility with your specific model.
- Avoid using the trigger module with ammunition that is not recommended for your firearm.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a punch tool for pin removal.

2. Installation Steps:

- Remove the original trigger and hammer pins from your firearm.
- Carefully lift out the original trigger module and hammer.
- Insert the 308 AR DropIn Trigger Module into the trigger housing.
- Align the trigger module with the original hammer/trigger pin holes.
- Reinsert the original pins to secure the trigger module in place.
- Ensure that the pins are fully seated and that the trigger operates smoothly.

3. Testing:

- Before using the firearm, test the trigger operation in a safe environment.
- Ensure the trigger pull is smooth and that the hammer releases correctly.

4. Usage:

- After installation, follow standard firearm safety practices when using your firearm.
- Regularly check the trigger module for proper function and any signs of wear.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the trigger module in regular household waste.
- Contact your local waste management facility for information on proper disposal methods for firearm components.

Contact Information for Further Support

For any safety inquiries or support regarding the 308 AR DropIn Trigger Module Skeleton Shoe, please reach out to the manufacturer or your local firearms dealer. They can provide further assistance and information.

Conclusion

The 308 AR DropIn Trigger Module Skeleton Shoe is designed for enhanced performance and safety. By following the guidelines outlined in this document, you can ensure a safe and effective experience with your firearm. Always prioritize safety and compliance with local laws when using firearm accessories.
